Dear Mary,

I'm only sending this bible record for now. Since you appear to have much more information than I do, I don't want to send you something you already have. When I receive your information I can send along what I have that you lack. I can also have some new ideas for research. We have a fair genealogy library here in Huntington Beach and a LDS center which I haven't contacted.

I think you'll agree that this record and the information you sent me on the e-mail confirm and complete each other for the most part. There are some interesting differences too. "My" Martha is given as Martha Louisa B. You say Martha Sarah and a biographical sketch of her ~~husband~~ son in the Goodspeed says Martha S.

Hoping to hear from you soon,
Barbara

Dear Barbara,

Sending the material we discussed by E-Mail. I have not copied all of the source material, since it would be quite a chore to copy everything. I might mention that a Nunnally/Nunley book was published in 1997. It does contain records and families that are our line. There are several errors in the book, which happens when one publishes, but is pretty good. I do not know if there are copies still available, but you might write to the author at the following address (tell her I sent you her name):

Jean Nunley Dennison (Mrs. Marshall Dennison)
919 Waterswood Drive
Nashville TN 37220
(1-615-297-0474)

The book is hardbound and 472 pages. Jean did a good job even though there are corrections that definitely need to be made. If you do purchase the book, let me know and I will send you some of the corrections.

I have been "doing" genealogy for about 30 years. After I retired from the Bartlesville Public Library in 1989, I did research for others for a bit, but found it a little difficult to obtain payment for my work in a few cases, so decided it was not worth the worry and correspondence and retired again! I volunteer at our local history museum, the LDS Family History Center Library (through our local genealocy society), on the board of the White Rose Cemetery Committee, member of DAR and etc. So - keep very busy with history.........

Hope you enjoy the material and that it adds new information to your family records.

Will look forward to hearing from you and hope you will share your information.

Sincerely,

Mary

My Hyde connection is through Jane, Jincy, Haley Hyde who married Gabriel Fowlkes (born 1777. Jane etc. was the daughter of Hartwell Hyde. Gabriel & Jane were the parents of Marquis L. Fowlkes who married Martha Sarah Foster.

I can't find the DAR number for Thompson Fowlkes so for now I would be very happy to receive the file for George Foster.

Using the names of 'licenced Indian traders,' a list of Virginia, North and south Caroline traders was created. A partial list includes Robert LONG, Charles HICKS, John BROWN, William GILCHRIST, Abraham COLSON, James ANDERSON, William KEMP, James MOORE, Richard HYDE, John SIMS, William WILLIAMS, and John PETTIGREW.

The Hydes of Northhampton County

One of James COLBERT's 'hirelings' was Richard HYDE, listed above. His father, also known as Richard HYDE, had also been employed by COLBERT as a packhorseman. The elder HYDE was a former pirate and member of Blackbeard's gang. HYDE quit his life of piracy when Edward TEACH (Blackbeard) was killed in 1718. (20)

While escorting the Superintendent of Indian Affairs through Creek territory, both the Superintendent and the elder HYDE was severely beaten and disfigured by some Creek warriors when they were caught in bed with the Indians' wives. According to ADAIR:

'Among the Indians, the trading people's ears are often in danger, by the sharpness of the law, and their suborning false witnesses, or admitting foolish ciildren as legal evidence; but generally either the tenderhearted females or friends, give them timely notice of their danger . . . The Muskhoge lately clipt off the ers of two white men for supposed adultery. One had been a disciple of Black Beard, the parate . . .' (21)

Records show that Richard HYDE and his family lived along the Roanoke River in what is now Northampton County, North Carolina. Family members owned a ferry which corssed the Roanoke River at Hyde Island. This island is a few miles upstream form Plumbtree (Mush) Island and the Occoneechee Neck."

Hi Barbara,
New on the computer and just noticed your info on the Nunnelly/Foster family on GenForum.
Sarah "Sally" Nunneley (1809-1868) is the daughter of Anderson Nunneley and Martha Baldwin. She was probably born in Rutherford Co. TN, as Anderson was listed there on the 1810 census (one of the few extant census records for TN in 1810). She married William Henry "Billie" Foster, ca 1823 in surely, Hickman Co. TN (a burned county, but Anderson was on the 1820 census of Hickman Co.). Sarah died 1 Oct 1868 and is buried in the Foster Cemetery, Gray's Bend, Hickman Co. TN.
Sarah and William had the following known children:
Lilbourne W. (1824-1855) m Laura Hall
Marion Lafayette (1826-1887) m Martha Gray
Martha Sarah (22 Jan 1830--1 Feb 1875) m Marquis Lafayette Fowlkes
Mary E. (1831-??) m Robert Whitson
Levisa Josephine (1833-1879) m #1 John Easley
William (183? - ??) nothing known
Marshall Dodson (1838-1899) m Malissa Brown
Jackson VanBuren (1841-1852)
Louridea Cecillia (1843-1853)
Infant son (b and d 5 Feb 1846)
Sarah Nunneley Foster was a sister of Joseph Alexander Nunneley, my husband's great-great grandfather. If you will send me your snail-mail address, I will send you a great deal of information on this family.

William Foster, Hickman CO, TN, 1815

Posted by Barbara Lloyd on September 16, 1998 at 20:44:35:

This William was the son of George Foster who settled on Morgan's Creek in Hickman CO in 1815. William would have been a contemporary of my great, great, great grandfather, Gabriel Fowlkes. Since my great, great grandfather, Mark L. Fowlkes, married Martha Foster born 1824 or 1826, I'm thinking that there's a chance that she was William's daughter.

I'd appreciate not only solid information but searching hints too.

Martha Foster b, 1825 , Hickman CO,TN

Posted by Barbara Lloyd on June 23, 1998 at 21:27:13:

Martha, my gggrandmother, died Feb., 1875, leaving behind 12 children. Her husband, Marquis (Mark, Marcus) Fowlkes married 4 months later and produced 4 more children. When my grandfather was born two years later, his father named him Foster Franklin Fowlkes in memory of Martha. Since my father was a junior, he was also Foster. I think she was born in Hickman County, Tennessee. Her birthdate has also been reported as 1826. I would appreciate any information. .

Sara C. (Sally) Nunnelly Foster b. 1809

[Follow Ups] [Post Followup] [Return to Message Listings] [Help]

Posted by Barbara Lloyd on October 02, 1998 at 22:48:58:

Sara C. Nunnelly Foster, b. 1809, is mentioned as the wife of W. H. Foster,born 1804, and the mother of my gg grandmother, Martha Foster Fowlkes in a family Bible transcription in the 1982 edition of "The River Counties" (TN).

The "History of Hickman County, Tennessee" lists 'Sally, the daughter of Anderson Nunnelly' as the wife of William Foster.

If you have any further links or clues please let me know.

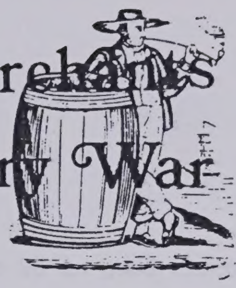
Claims of British Merchants after the Revolutionary War



by Ransom McBride
(1113 Seabrook Ave., Cary, NC 27511)

(continued from Volume XI, No. 1, p. 32)

This is the eleventh in a series of articles on the claims of British merchants against American debtors who contracted debts before and during the Revolutionary War. The reports below are from Special Agent William DUFFY, who pursued special claims for various British merchant firms. These alleged debts were outstanding at the time of the Treaty of Peace in 1783 but were difficult to collect because the Federal Government would not pursue such claims against citizens of a particular state. The data below was written about 1804.

In the abstracts below, when a debtor is listed as dead, the date is uncertain, but when other specific information is given, it is based upon informants. The data below are abstracted from the British Records Collection at the N.C. State Archives (Microfilm Z. 5.149N t the NC State Archives from the Public Records Office, Treasury Series T 79/84). CROWN COPYRIGHT. REPRODUCTION UNAUTHORIZED WITHOUT PERMISSION OF THE CONTROLLER OF HER MAJESTY'S STATIONERY OFFICE. Transcript of Crown-copyright records below appear by permission of the Controller of H.M. Stationery Office.

Colonel John HOGAN of Orange says that he has known William ARMSTRONG for nearly forty years, and became intimately acquainted with him and his Circumstances during all this time- when he first knew ARMSTRONG, he was a reputable farmer, and continued so until he engaged in Trade, the interests of which he did not understand. He carried on business for two or three years, when his Store House with his goods were burnt, and nothing could be saved but a list of Debtors about a year afterwards... he was endeavouring to get out of the state into KENTUCKY when he was taken by a writ of "ne exeat regno" at the instance of HAMILTON & Co. He gave security and continued in the State according to his bond until nearly the conclusion of the War- when he joined the Militia of North Carolina and marched to Charleston..South Carolina- He was then taken prisoner, came back to Orange on his parole, packed up the little remains of his property and removed to KENTUCKY.. thence sometime afterwards to Sumner County, TENNESSEE where he now resides insolvent. He was insolvent before the War - at the Peace and is so at present. He is maintained by his children-

LEWIS went away before the War - and settled at the Crab Orchard in KENTUCKY, where he now lives a poor man.

CHILES, James. Apr 1798 £47.3.4½ p. 200

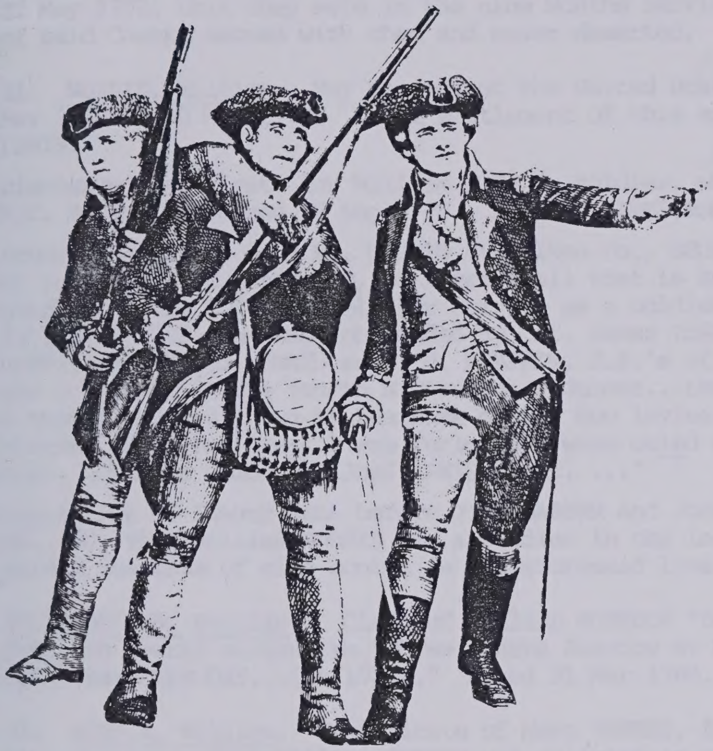
REVOLUTIONARY WAR SERVICE RECORDS AND SETTLEMENTS

abstracted by Ransom McBride
1113 Seabrook Ave., Cary, NC 27511



(continued from Vol. XIII, No. 4, p. 240)

This is the fifteenth in a series of articles from the "Revolutionary War Service and Final Settlements, 1776-1792" file in the Military series of the Treasurers and Comptrollers' Records at the North Carolina State Archives. These records are the final settlements of the United States with individuals for service in the Continental Line of North Carolina during the American Revolution. Other such settlements had been concluded before these "final" ones, so the soldiers noted here do not represent the only such settlements for this type of service. A few folders in this file are not concerned with Revolutionary War service, but relate to militia service on the western frontier and in expeditions against the Indians in what is now Tennessee.

The abstracts below are listed in alphabetical order by the surname of the individual(s) whose account(s) is/are being settled. An arbitrary number is assigned each settlement and begins with the number "1" for each numbered file box in this series. The file box number and first letter of the surnames contained in the box are noted at the beginning of the abstracts.

There are often many other names mentioned in these abstracts other than the name of the soldier underlined after each number below. A careful scanning of each abstract may be worthwhile, even though the underlined name is not your ancestor.

Box 20 (N-P) - This article contains abstracts from those surnames beginning with N and O.

CAPTAIN WILLIAM WHITE'S ACCOUNT BOOKS,
EDGECOMBE (NOW WILSON) COUNTY, N. C.,
11 DECEMBER 1805 - 21 JANUARY 1808

by Hugh Buckner Johnston, Jr.
Route 4, Box 160, Wilson, NC 27893

The last two of the surviving account books of William White's store in what is now Wilson, North Carolina, were abstracted before being placed in the North Carolina State Archives. Serving Edgecombe and neighboring counties, White's store is believed to have been situated on the south side of the present Tarboro Street in Wilson and immediately west of Hominy Swamp. It is known that there were at least two buildings on the property, the store itself, and the warehouse in which were kept sawn timber, laths, and plank, as well as other bulky commodities being bought and sold. In 1806 William White was dealing with merchants Rogers & Lambert of New York, B. W. Rogers & Co., Taylor & McCrackan, Thomas Guion, and John G. L. Schenck, the last two being residents of Tarboro. It seems probable that Etheldred DeBerry, who had married Polly Cobb, daughter of Captain Stephen Cobb of Cobb's Mill on Contentnea Creek, was associated with the related business of flatboating goods up and down said Creek from Rountree's Landing and Cobb's Landing to New Bern on the Neuse River at its junction with the Trent River. A few things were undoubtedly hauled from one or another of the several landings on the Tar River between Greenville, Tarboro, and the Great Falls (now known as Rocky Mount).

The books represent over 775 accounts of varying lengths. Operational expenses included such items as hauling and shipping, "Labor on the flat" which varied between $8.25 and $10.00 (apparently based on a cost of $.50 per person per day), and the pork and regular barrels required to ship certain commodities to the outside markets. The cost of constructing one of the flatboats was $100.00. The principal purchase-accounts were kept on tar, tallow, beeswax, cotton, and pork. There was some dealing for deer, fox, raccoon, rabbit, and other skins. The earlier accounts at the store had been kept in English money, but beginning on 1 January 1807 "This Book is kept in Dollars & Cents." A cotton gin operated by John Dew was once mentioned.

Most of the entries in the books refer simply to unidentified "goods" or "sundries," but the actual commodities named here and there included coffee, tea, wine, brandy, French brandy, bacon, tobacco, pork, meal, corn, molasses, sugar, fodder, flaxseed, cottonseed, homespun and other cloth, ribbons, buttons, shoes, pipes, pamphlets, almanacs, powder, umbrellas, and cartwheels.

Actual prices for specific items were infrequently stated, but some idea of values in 1806 and 1807 can be obtained from over a dozen that chanced to be recorded, such as a writing desk £1.10.0, candlemolds $.75, hat $1.00, chair $.46, shawl $1.50, axe £0.8.0, pot £0.18.0, pair of stockings $1.12½, cart and wheels $8.00, currier's knife $4.75, 63½ pounds of cotton $1.90½, gallon of molasses $.70, two gallons of brandy £0.12.0, barrel of brandy £6.0.0, a sorrel mare £6.6.8, and a bay horse $100.00.

Captain William White (ca. 1763 - 3 October 1822) was a son of John and Ann White of Hominy Swamp. He had gone into the general merchandise business as early as 1805 and was still involved at the time of his death. His widow, Martha, survived until May of 1840. Both were for many years members of old Toisnot Baptist Church which then stood on the south side of the Tarboro Road not far east of their home, which was probably on their plantation of two hundred acres on the west side of Hominy Swamp and north of the present Tarboro Street. The inventory of Captain White's estate indicated the ownership of four horses, twenty-eight cattle, and eleven slaves, together with the mercantile business and considerable personal property.

The following abstracts of White's account books 1805-1808 show the names of persons with whom his firm did business and the dates on which entries were made regarding them. Some persons acted in behalf of others, who may have been relatives or near neighbors.

Dear Jean,

Family company from Minnesota and Texas put a stop to my research for a time. The next visitors will not arrive until mid-August, so will try to catch up on my correspondence.

Your packet of 19 May was great! The most exciting item was the Lincoln Co., NC civil action suit, Anderson Nunnelly vs Richard Long (the papers, 1771-1806, Dec 1799-Jan 1800) which include the name of Anderson's wife, Martha. This is the first real proof that the Anderson of Lincoln Co. did have a wife, Martha, and surely the same Anderson and Martha of Hickman Co. TN.

Now to the Anderson, son of Peter, grandson of Barzillai Hewitt of Halifax Co., NC...

It is certain that there were two Anderson Nunnry/Nunneley men in NC during the same time period. The man of Lincoln Co. NC had a wife, Martha, and is probably the same Anderson of:

Anderson Nundly - 1810 census, Rutherford Co. TN
Anderson Nunnelly - 16 Dec 1810 / deed / Rutherford Co. TN
Anderson Nunnley - 1 Mar 1811 - estrays in Rutherford Co. TN, pub in Democratic Clarion and TN Gazette
Anderson Nunnerly - Jan 1811 - Rutherford Co. TN - apptd tax receiver Rutherford Co. TN court minutes 1811-15
Anderson Nunley - 4 Sep 1812 - Hickman Co. TN / signed petition for the privilege of choice of uniforms for calvary (sic) troop.
Anderson Nunnelly - War of 1812, TN - I have no further info on this
Anderson Nunneley - 12 Oct 1813 - Deed, Hickman Co. TN
Anderson Nunnely - 1820 census, Hickman Co. TN

This Anderson probably died before 1830. He is not listed on that census, but Martha was enumerated in Hickman Co. TN. I believe that Anderson probably died by 12 Oct 1824 when "Marthey Nunnely" of Hickman Co. TN, "made, constituted, and appointed" George Baldwin of Amelia Co. VA, her "true and lawfull" attorney to ask, demand and receive her share of the estate of her father, William Baldwin (Deed Book 7, page 33, Nottoway Co. VA). The will of William Baldwin was written in Amelia Co. VA on 14 Mar 1789, proven 5 Dec 1793, Nottoway Co. VA. Martha Baldwin Nunneley still had several small children in 1824 when she appointed her brother, George, her attorney, in fact. Had Anderson died by 1824 and did she need money to raise those children? I think it possible.

Another Anderson/Andrewson Nunnery/Nunre was dead by ____ day of Oct 1785 when his heir, Joel Nunnery, sold to William Faircloth, 640 acres for "value rec'd" and requested a survey by Martin Armstrong and deputy. William Faircloth sold to Benjamin McCulloch by 24 Dec 1785 when Faircloth requested a survey by the same Armstrong and deputy. The survey was made/entered 30 Nov 1792 by Martin Armstrong for Benj. Mcculloch. Is this the same B. McCulloch listed as the cc of Halifax Co. NC in the will of Barzillia Hewitt?

Anderson Nunnelly — War of 1812, TN — I have no further info on this
Anderson Nunnaley — 12 Oct 1813 — Deed, Hickman Co. TN
Anderson Nunnaly — 1820 census, Hickman Co. TN

This Anderson probably died before 1830. He is not listed on that census. But Martha was enumerated in Hickman Co. TN. I believe that Anderson probably died by 18 Oct 1824 when "Martha Nunnely" of Hickman Co. TN, "made, constituted, and appointed" George Baldwin of Amelia Co. VA, her "true and lawful" attorney to ask, demand and receive her share of the estate of her father, William Baldwin (Deed Book T, page 33, Nottoway Co. VA). The will of William Baldwin was written in Amelia Co. VA on 14 Mar 1789, proven 3 Dec 1793, Nottoway Co. VA. Martha Baldwin Nunnelly still had several small children in 1824 when she appointed her brother, George, her attorney, in fact. Had Anderson died by 1824 and did she need money to raise these children? I think it possible.

Another Nunnally/Anderson Nunnelly/Nunn was dead by ___ day of Oct 1785 when his heir, Joel Nunnelly, sold to William Faircloth, 640 acres for "value rec'd" and requested a survey by Martin Armstrong and deputy. William Faircloth sold to Benjamin McCulloch by 24 Dec 1789 when Faircloth requested a survey by the same Armstrong and deputy. The survey was made/executed 30 Nov 1792 by Martin Armstrong for Benj. McCulloch. Is this the same B. McCulloch listed as the cc of Halifax Co. NC in the will of Barzillai Hewitt?

Another interesting note concerning the Anderson Nunneley of Lincoln Co NC concerns a William Davenport who married Mary Nunnally on 2 Jan 1783 in Amelia Co. VA. This William died in Lincoln Co. ca 1820s and Mary Nunnally Davenport died ca 1840s. I can't seem to locate my records at this writing. This places another Amelia Co. family in the same county. Was Mary of Amelia Co. related to Anderson?

Some additional things:

2 Aug 1726 - John Fonville patented 1122 acres above New Bern Town.
  Peter Nundy (?), etal
12 Feb 1733 - Berzilla Hewit, witness to the will of John Jarnagin in
  Bertie Co. NC
1 Aug 1762 - deed of John Scott, Edgecombe Co. NC. 459 acres.
  Plat reads "surveyed for Griffin Nunry" WHEN?
26 Apr 1754 - deed of Mathias Miers. 400 acres. Griffin Nunary, etal.
  Granville Co. NC
15 Oct 1762 - deed of Aaron Reed Pendry. 179 acres. adj Barzilla Hewit

The above Peter Nundy (?) may be the son-in-law of Barzillia Hewitt, but is surely an adult by 1726 when John Fonville purchased 1122 acres adj said Peter. This is a very early date and could place a birth for this Peter ca 1700/05. Peter could have owned the land as a child, just not sold, but I am presuming he was an adult in 1726. Do we now have two Peters? This date seems too early to be the Peter who died in Franklin Co. NC in 1793.

I really believe that some of these people will someday be assigned to some of the first mentioned men in Shortal's genealogy. Because so little is known of Shortal's 2.2 Thomas, which lists only one son, Thomas, Jr. and his 3.4 Joseph who also, lists only Joseph, Jr., much is possible. I also wonder about the early Daniel, d ca ?1688 and Walter, d ca 1691...and just think of the DAUGHTERS we do not know.

Well, I see I have only added to the confusion. I have about exhausted my sources at our local library. I really need to get back to reading the VA court order books for various counties. That is a very difficult task. The writing is terrible, but much interesting information can be gleaned.

Anxious to hear who these early NC people can be...

Sincerely,

Mary

Dear Mary,

This is the next step in posing a migration pattern for some VA Nunnallys through NC into TN and points west.

Have you done much work in NC counties? Our recent trip was enlightening, if not conclusive. Since your descent is from the Anderson Nunneley who came to Middle Tennessee early 1800's, you may be interested in our NC search...

Knowing there was an Anderson on 1790 Census in Halifax Co NC, we started there, reading wills, deeds, court order books, etc., and learned:

ANDERSON NUNNALLY/NUNNERY/NUNLEY/NUNNELLY:
* 1766 - In Halifax County NC. Deed from Barzillai Hewitt to ANDERSON NUNNELLY, "son and heir of PETER NUNNELLY."
* So ANDERSON was son of PETER. Which PETER?
* 1767 - Deed says ANDERSON was grandson of BARZILLAI HEWITT.
* So ANDERSON's mother, PETER's wife, was a HEWITT.
* 1781-82 - ANDERSON in Rev. War, Continental Line from NC.
* 1790 - ANDERSON on Tax List, Halifax Co NC.
* 1791 - ANDERSON sells land, Halifax Co NC.

This leads us to Peter, who was in the next county (Franklin Co NC) on 1790 Census. There we learned:

PETER NUNNELLY/NUNNERY:
* 1765 - PETER was in Halifax Co NC, when he witnessed deed of BARZILLIA HEWITT to Henry Read.
* 1790 - PETER on Census, Franklin Co NC (next to Halifax Co NC).
* 1793 - PETER died, Franklin Co NC. At his Estate Sale in March, 1793, buyers included: NANCY NUNRY, ELIZABETH NUNRY, and Ephraim Perry. (Did another son of PETER marry a dau of Nathaniel Perry? In Nathaniel Perry's will, 1790, he left to "NATHANIEL PERRY NUNRY..."

We later made some discoveries about this area: some notations of early tax records were made as F/W/V County; this was Franklin, Warren and Vance Counties. Had we known that at the time, we could have searched in Warren and Vance! And we would have if we had known then that in Warren County were two more familiar names:

* 1771 - JOSEPH NUNNELLY was taxpayer, Warren Co NC.
* 1772 - ISHAM NUNNELLY witnessed deed, Warren Co NC.

You remember JOSEPH and ISHAM were together as they moved from Amelia VA to Lunenburg VA to Mecklenburg VA. They were in Mecklenburg Co VA in 1767-70; now they are just across the state line, in Warren Co NC! What a coincidence that nearby is ANDERSON, who married MARTHA BALDWIN. (JOSEPH's son OBADIAH married Martha's sister ELIZABETH BALDWIN and migrated to Caswell Co NC.)

Surely this new PETER/ANDERSON connection is close to JOSEPH/OBADIAH family. In fact, PETER could conceivably be JOSEPH's brother... When JOSEPH SR died in 1740, there was no estate settlement I know of. In 1740, "Orphan Joseph Jr" was bound out by church wardens. JOSEPH SR surely had other children: maybe ISHAM? maybe RICHARD GLADEN who was bound out by church wardens about the same time Joseph Jr. was? maybe this PETER? There are many possibilities and "what-ifs."

Of course, there were other PETERS of record, from THOMAS, but their records seem to remain in Prince George/Prince Edward VA until later, when some descendents probably migrated to MO. Don't you think this new PETER in Warren/Halifax NC is more likely from another branch?

Now back to ANDERSON and his migration through NC:
* 1791 - ANDERSON sells land in Halifax Co NC.
* 1797 - ANDERSON buys land in Lincoln Co NC.
* 1806-08 - ANDERSON sells land in Lincoln Co NC.

Then here he is in Hickman County TN. What do you think of this migration pattern? It must be the same family. Along the way, a deed even mentions ANDERSON and wife MARTHA!

Enclosed are copies of some pertinent notes we made on this last VA/NC trip, which may be of interest. Please let me know your thoughts.

Anxious to hear from you.

Sincerely,

Jean

JACKSON BALDWIN NUNNELEY

TEMPLE (TEXAS) TIMES / FRIDAY - 15 MARCH 1907

(Pages not numbered in this issue of newspaper)

After a short illness with acute pneumonia, J. B. Nunneley, departed from this life last Monday evening at 7:10 o'clock and was laid to rest in the City Cemetery Wednesday morning at 10 o'clock. The hearts of all who knew him are filled with sorrow, for by his gentle, modest and unassuming manner he made many friends and kept them. Mr. Nunneley was one of the early citizens of Temple, coming here when lots were first placed on sale and investing extensively in Temple property. At an early date, he, in connection with L. M. Chattin, engaged in the general mercantile business on old 12th St. They built and occupied the first brick building in Temple, and as their business increased the store was enlarged to meet the demands. In addition to his mecrantile business Mr. Nunneley had other interests in large tracts of western lands, and in paper bag factories located in Austin and Galveston. He was always closely identified with the city's civil and educational advancement and was one of the first aldermen of the city, in which office he helped to frame the laws governing the same. He was a charter member of the I.O.O.F, K. of P. and B.P.O.E. In the early days of Temple he was a factor in the organization of the Temple Water Works Co., and, the First National Bank of which he remained a director to the day of his death. He was a charter member of the Temple Compress Company, the Temple Improvement Co., and the City Cemetery Co., the Electric Light Co., the Hotel Co., and the Oil Mill Co.

Mr. Nunneley was born in Carroll county, Ark., Oct. 8, 1839. In 1870 he was married to Miss Florence Webster of Chicago and in 1871 he and his wife came to Texas, locating at Harrisville where Mr. Nunneley engaged in photography a short while before entering the mercnatile business. During all the twenty-five years of his residence in Temple, Mr. Nunneley has taken a keen interest in all her enterprises and he was one of the first trustees of the Carnegie Library Association, to which he has made several donations. Temple has lost one of her oldest and best citizens and as an expression of the high esteem in which he was held all business was suspended during the funeral hours Wednesday morning. Funeral srevices were conducted by the Knights of Pythias, with short and eloquent tributes to his life by Judge W. S. Lemly, and Judge W. S. Banks. The floral offerings were many, and beautiful. The active pall bearers were:

Messrs L. M. Chattin, T. L. Hollingsworth, F. F. Downs, P. L. Downs, W. S. Banks and Geo. E. Willcox. The honorary pall bearers were: W. H. Stegall, H. L. Sherrill, H. M. McCelvey, C. B. Hutchison, A. P. Bentley and F. P. Hamill.

MRS. J. B. NUNNELEY DIES

Widow Of One Of Early Founders Of City Was Long Prominent In Progress Of Temple

#PV 119

Mrs. J. B. Nunneley, prominent in the annals of Bell county for more than half a century, and widow of a successful early day business man who aided in a large way in Temple's building, died at 2:30 a.m. Friday after an illness of several months.

Mr. and Mrs. Nunneley came to Bell county in 1871 and first settled at Harrisville, a community that was 10 miles south of the present site of Temple. He was a merchant there and from 1873 to 1880 was postmaster there, laying the foundation for his future success. Among his business partners at old Harrisville were Rev. William Thomas and T. L. Hollingsworth. He and Mrs. Nunneley moved to Temple when the town was started in 1881 and together built up much success with the growing town and a considerable fortune. Mr. Nunneley built the first brick building in Temple, was a city councilman for many years, was an aid in organising the waterworks and scores of other projects for the building of Temple and Temple institutions.

Among the early day organizations bearing his name as a charter member were the Temple compress company, the Temple Improvement company, the Cemetery company, the Electric Light company, the Hotel company, the Oil Mill company and others. He was one of those who organized the First National Bank and was a director of it. The pioneer firm of Nunneley and Chattin did an annual business of $100,000, a high figure in those days.

Mrs. Nunneley was his companion in his success and she also traveled with him a great deal in trips over this country and to Europe.

After his death she continued as nearly as possible his forward and progressive policies toward the town and community and among the largest recent public gifts made to Temple was the gift of Mrs. Nunneley to the Y.M.C.A. of a fine tile swimming pool.

Her maiden name was Miss Florence Webster and she was born, July 29, 1852, in Middletown, Ohio, the daughter of William and Jane Webster. Of a family of seven, all are dead except one brother, Wm. E. Webster of Chicago, Ill., who was here at her bedside when the end came. Other relatives here are Miss Helen R. Webster of Chicago, Mrs. Harry Smith, of Middleton, Ohio, her two nieces, Adrian N. Webster of Hereford, Tex., a nephew. Mrs. Nunneley was married to Mr. Nunneley at Middletown, Ohio, Sept. 3, 1870 and on Christmas day, 1871, they came to Texas, settling in Bell county.

Funeral services will be held this afternoon at 3 o'clock at the residence, 606 North Ninth street, conducted by Rev. T. Edgar Neal, pastor of the First Methodist church. Active pallbearers will be: P. L. Downs Sr., J. C. Mitchell, W. S. Rowland, G. E. McCelvey, R. O. Culp, James Paton.

Honorary pallbearers will be: Dr. L. W. Pollok, A. C. Buchanan, H. M. McCelvey, W. O. Cox, G. E. Byars, J. B. Gregory, Dr. T. F. Bunkley, Dr. P. H. Brown, E. B. Greathouse, F. L. Denison, A. J. Dear Mary,

Sorry that I have taken so long to answer your letter. Your information filled in a lot of holes in my family tree but a lot of it I had already gotten from the CD Rom that I purchased from Broderbund Software. The information was Submitted to them by our 3rd Cousin, His address which was given to me by Broderbund Software is as follows, I have not tried to contact him:

Gaylon K. Gathright

I Talked to Glenna Jo Agee Back in February . Her Father and my Father were Half- Brothers. She is in the process of moving from Utah back to Kingman, Az.

I am inclosing a Print out of what I have on the Descendant of Joseph Nunneley. Also some info that I don't no if you have on the Children of Elmer Clyde Nunneley and Dava Carter. Note that thier Childred spell their last name as Nunley. Also 1 Son was Killed in WW2 at Iwo Jima Island in the Pacific.

Dear Chuck,

Thanks for the material on the Nunneley family. I am sending copies of the family group sheets that I have on this family. I have not included copies of any of the proofs, though I do have them. My collection on this family now is contained in seven large notebooks.

The material on your line came from Jo Agee. I have not corresponded with her for several years and have no idea if she is still searching. You may have already had contact with her.

It has been suggested by some people that Anderson Nunneley was born in North Carolina, not Virginia. I doubt that. Two of his children, Lawson Harrison and Elizabeth (Hornbeak) stated on the 1880 census that their parents were both born in Virginia. There was another Anderson of NC who had a son Joel, but that NC Anderson did not go to Tennessee. I rather think that our Anderson was a son of Joseph and Frances Nunneley of Amelia Co. VA. Old Joseph died during the Revolutionary War in New Jersey. But, I just cannot prove it -

Hope to hear from you after you have had time to go through the material enclosed. Will welcome any corrections or additions.

Sincerely,

Mary

Mary R. M. Nunneley

Edmond Taylor
b ca 1827-28 - TN

m ca 1849 - Anderson Co TN ?
Sarah Mitchell
b ca 1831 - TN

Edmond Taylor was probably the son of ______ and Elizabeth ______ Taylor. He seems to have had a sister Sarah Taylor, b ca 1833. The 1850 Census of Anderson Co TN lists the family of Edmond and Sarah with infant son Charles, age one month. Living in his household was Elizabeth Taylor, age 54, and Sarah Taylor age 17. (see 1870 Census Benton Co Ark, Charles E., age 20 - the infant, 1/12 in 1850 - Anderson Co TN)

The surname of Edmond's wife is confirmed by the ~~will of~~ Petition in Chancery, Circuit Court, Benton Co Ark. to determine the heirs of Charles Mitchell deceased. (Will Book A page 228) Aug 1866, settled 8 Aug 1867. Heirs named:

Jessie Martin Taylor
b 11 July 1855 - ~~Benton Co~~ Ark
d 17 Dec 1938 - Sand Springs, Tulsa, OK
m #2 ca 189$\overset{7-}{8}$ - ? Mo

Ada Ann Moneder
b 7 Jan 1881 - Mo
d 5 Jul 1946 - Sand Springs Tulsa OK

The birthdate of Jessie, 1855, tends to PROVE ~~proof~~ ~~to believe~~ that he is the son of Edmond and Sarah Taylor of the 1870 Census, Benton Co. Ark.

He married #1 unknown and had issue: John and Edna M. (maybe others)
He married #2 Ada Ann Moneder, and had issue: Iva; Elsie; Everet; Floyd; Etta; Clarence; Ista; Annet (?)

Dear Ruth and Doyle,

Enclosing the material I feel pertains to Elsie's family. It is not definite proof, as yet, but certainly seems possible.

Jessie Martin Taylor

b 11 July 1855 - ARK
d 17 Dec 1938 - Sand Springs, Tulsa, OK
m #2 - ca 1897-98 / MO ?
    Ada Ann Moulder/Molder
    b 7 Jan 1881 - MO
    d 5 Jul 1946 - Sand Springs, Tulsa, OK

The birthdate of Jessie, 1855, tends to prove that he is the son of Edmond and Sarah Taylor of the 1870 census of Benton Co., AR. Jessie married #1 unknown and had issue: John and Edna M. (maybe others). He married #2, Ada Ann Moulder and had issue: Iva; Elsie; Everet; Floyd; Etta; Clarence; Ista; and Annet ?

I think that Elsie's grandparents may be:

Edmond Taylor was probably the son of ________________ and Elizabeth __________________. He apparently had a sister, Sarah, born ca 1833. The 1850 census of Anderson Co. TN lists the family of Edmond and Sarah Taylor with infant son, Charles, age one month. Living in his household was Elizabeth Taylor, age 54 (his mother) and Sarah Taylor, age 17 (his sister). The 1870 census of Benton Co. ARK lists the family with the infant, Charles, age 1/12 now 20 years old. This fits...

The surname of Edmond Taylor's wife is confirmed by the Petition in Chancery, Circuit Court, Benton Co., ARK to determine the heirs of Charles Mitchell, deceased (Will Book A, page 228) Aug 1866, settled 8 Aug 1867. Heirs named:

Nicholas Mitchell (see 1850 census, Anderson Co. TN)
John Mitchell (see Charles-1850 Anderson Co. TN)
William Mitchell (see Charles-1850 Anderson Co. TN)
Samuel Mitchell (see Charles-1850 census Anderson Co. TN)
Elenor Vandygriff (see Alfred Vandagriff-1850 census Anderson Co. TN)
Elizabeth Snoderly (see Charles-1850 census, Anderson Co. TN-she was not yet married to Henry Snoderly)
Sarah Taylor (see Edmond Taylor-1850 census Anderson Co. TN)
Locky Cardin (see Charles-1850 census, Anderson Co. TN - she was not yet married to William Cardin)
Nancy Martin (see Charles-1850 census Anderson Co. TN - she was not yet married to James Martin)
Polly Tyner (see Charles - 1850 census Anderson Co. TN - she was not yet married to Bennett Tyner. Polly is a nickname for Mary and she is listed as such on the census.

The 1870 Benton Co. ARK census, enclosed, is copied from microfilm of a book. It is a very poor copy. The Sapulpa Library had the 1870 and 1880 Arkansas census. The Tulsa Library may, also, have this census. I would suggest you try to obtain copies of those Benton Co. census records. You may also, find Jessie with his first wife. He would have

been age 25 in 1880 and may have already married.

I have filled out some of the found information on an ancestor chart. It makes it a little easier to see grandparents, etc.

When you return from vacation, do come visit and we will have a mini genealogy class. I have some suggestions for your further research to prove what I believe we now see in this research already finished.

Hope you enjoy the findings.

Fondly,

Dear Jean,

CONGRATULATIONS! CONGRATULATIONS! CONGRATULATIONS!

The book arrived and is wonderful. I am so happy that someone finally published a book on the Nunley and variant surname. So many people have worked on this name, but no one (with the exception of Joseph Shortal) ever tried to pull the material together from several sources. I just wish to thank you for your hard work.

I reviewed the correspondence file of your letters to me this morning. Your first letter to me was dated 8 Sep 1988 and you knew very little about your Nunley family. You were only aware that your grandfather was James Franklin Nunley and his father was L. B. Nunley. In the short nine years since you started your Nunley research, you have found not only your line but hundreds of other Nunley/Nunneley families. Pretty remarkable for such a short research period!

After receiving our book, I decided to make copies of your order form and write a short note and mail both to our family members. I am including the note and lists of names.

I did not realize that you had apparently had no contact with Lynn Collis, because her family is not included in the book. I feel very sad that her work on her family is not in the book. Lynn is probably the best Nunnally genealogist and has more material on that line than anyone. I could be in error but as I recall, Lynn descends from Thomas Nunnally, Al.

You did not send me a picture of Lawson Harrison Nunneley I. I would surely love to have a print and will send the money if you will tell me the cost of copy. Since we have never found a picture of Joseph Alexander Nunneley, brother of Lawson I, it would be nice to have his picture.

Will close and, again, thanks for your work to bring this fine book to publication. I need copies for my children (enclosed is additional order).

Oh, by the way, did you donate a copy of the book to the DAR Library in Washington, DC? If not, please let me know as I would like to have one placed in that library.

Sincerely,

Mary

Dear Mary,

Finally, I am returning your wonderful pictures:

CLARISSA MOORE MAXWELL NUNNELEY
JOSEPH ALEXANDER NUNNELEY JR
LAWSON HARRISON II & MALINDA CARTER FAMILY
ELBERT ALEXANDER NUNNELEY FAMILY

Of course, the reproductions in the book are not as clear, but we were happy to have these to include. What treasures!

Did I send you copy of the portrait of Lawson Harrison Nunnelly I, son of Anderson? When Bill Nunnelly had it restored and gave me the negative, I had copy made for you when I had mine made, but can't remember if I sent it. Let me know if you would like to have it, if you do not have one.

I have searched your file and searched it, but cannot find a list of names you sent of people to contact when the book was finished. It may be right under my nose, but I am afraid things were left in a state of confusion during those "finishing up" details before printer. So if anyone comes to mind, please let me know.

Sincerely,

Jean

Dear Mary,

It was good to hear from you. I have not forgotten that I have a picture to return to you, but am trying to make decisions about that part of the book; it will be returned shortly. We have received several pictures of Anderson's descendents.

Your Texas contact may have a lot of interesting input on Andrew Jackson Baldwin Nunneley's family; we will be anxious to hear.

Work was put on hold because of the death of my dear brother this month; it has been hard on the family, especially my mother, who is 93. My daughter came from Raleigh NC for the funeral, and I went home with her for a week, which was helpful.

Now I am back at work, Mother is doing very well, and I would love to set a publication date. When I recently answered a question about that, with, "I am aiming for July," my younger brother said, "What year?" We are trying ... and that is this year!

Thanks for everything, including new information.

Sincerely,

Jean

Dear Mary,

My last letter in November probably shot too many questions at you; sorry about that. Any clues at all, or any help, will be appreciated. (Incidentally, I am correcting the family of Daniel Nunnally (1685-1788), son of John, and Susannah Womack, to include the children Drucilla Brintle, Obedience, Noel, Sherman, David, Alexander and Daniel Jr., which Shortal had allocated to the Daniel who was son of Thomas.)

Marshall and I did make another trip to Virginia the last of November; we traipsed through the courthouses in Mecklenburg, Halifax and Lunenburg Counties. Nunnally/Nunnelees were there, but very little surfaced that we had not already seen in a book or some other record. We did make notes; copies of some of them are enclosed, just in case you see something new.

Here's hoping that 1994 will see many questions answered, and many family lines pulled together...and the best to you and yours in the New Year.

Sincerely,

Jean

Dear Jean,

Enclosing another picture of Lawson Harrison Nunneley II and his second wife, Mable Rogers Lowery. His granddaughter sent me a negative so that I could have one made for you. She is very interested in a copy of the Nunneley book when it is finished. Her name and address are:

Wilma Gathright (Mrs. David)
RR 1 Box 123
Dill City OK 73641-9736

Since I feel so certain that Anderson and Martha Baldwin Nunneley were both born in Virginia (probably Amelia Co.), I decided to look at the 1880 census of Hickman Co. TN to see what their surviving children had to say about their place of birth. The film was terrible...Lawson Harrison (1801-1885) and Mary Ann 1815-1890) both said that their parents were born in Virginia. I did not locate Elizabeth "Betsy" (1810-1887). Many pages of the film appear almost blank. Betsy could have been in Hickman, but I could not find her nor any of her children.

Know you were gone when I mailed the first packet and hope it arrived in good order. Looking forward to hearing from you and the progress being made on the book.

Sincerely,

Mary R. M. Nunneley

Dear Jean,

I am sending some of the material you requested for the Nunley/Nunneley book. If you plan to send pre-pub information to people, I can supply you with some addresses. Let me know.

The copies enclosed are the children and grandchildren of Lawson Harrison II and his two wives, Malinda Caroline Carter and Mable Rogers Lowery. The booklet was prepared for our Nunneley reunion. The theme of the reunion was "who we were/who we are". It barely touched on the material I have gathered over the years, but was really enjoyed by all. We hope to meet again in June 1997. They have already requested that I do another booklet on the family of Elbert Alexander and Melcenia Jane McCollough Nunneley (Dick's grandparents) and their children and grandchildren. I am gathering info on all of the grandchildren at this time. I have most of them and their families, but still have a few blanks.

The timeline enclosed is a brief one of Amelia Co. VA. I did not include the later years. Lynn and I worked on the project for Amelia, Buckingham, Charlotte, Chesterfield (extensive), Dinwiddie, Henrico, Lunenberg, Mecklenburg, Nottoway, Prince Edward, Prince George, and Spotsylvania. Lynn and Bob moved to CT and our project ended. They have since moved back to Bartlesville, but Lynn is the caretaker for her mother-in-law and has little time to read film and do genealogy. Our project consisted of ordering film on various VA counties and abstracting the Nunneley data. Lynn would then enter it on her computer in a chronological order. As with the Amelia Co. enclosed, you can determine those Nunneleys who were contemporaries and possible family groups. As names came up on tax lists, you can pretty well assume that they became age 21 in that tax year (or moved from another county). If you cannot locate them in another county in a previous taxable year...they probably did arrive at the age of 21 in Amelia Co.

The pictures did not turn out too good. I had them copied at Camera America and was not very happy with the result. Let me know if they can be used and if not, I will try someplace else.

Will close for now and get this material in the mail. I can hardly wait for the book...

Sincerely,

Mary

Dear Mrs. Nunneley:

My good friend Martha Cooke has been sharing some of her NUNNALLY family data with me since I am researching my NUNLEY roots, and suggested that I write to you.

My grandfather, JAMES FRANKLIN NUNLEY b. Feb.21, 1878
Ripley Co. MO CLAY CO.
m. Nov.27, 1900 Corning AR, Dollie Elizabeth Welker
b. Aug.27, 1881 Cape Girardeau Co MO

His father was L.B. (ELBY) NUNLEY m. Zephre Ferrell; she died when my grandfather was born.

...One of JAMES FRANKLIN's grandparents was an Indian.
...L.B. was considerably older than his wife.
...L.B. was a roamer; family saw little of him.
...L.B. had one dau. MISSOURI ANN NUNLEY, who went to Oklahoma Territory and married an Indian. (She was last heard from about 1908 when she wrote from Muskogee OK to her brother (my grandfather) to come out there to homestead, adding that she would send him money for the trip. He sold the little he had and packed up his family, but never heard from her again)

Is there any possible way to find out anything about MISSOURI ANN NUNLEY in Indian records, knowing nothing except her maiden name? With these two Indian connections, we would like to know more, but may not have enough information to pursue either.

We have not gotten this family back very far, but if L.B. was quite old when JAMES FRANKLIN was born in 1878, we may find him in an earlier record.

Do you have some ideas for my search? We scanned the information you have sent Martha, but did not see a familiar name. We shall appreciate hearing from you.

Sincerely,

Jean

Dear Jean,

I received your letter of Sept. 8, inquiring about your Nunley family. I was in Colorado when it arrived and have now spent some time looking through my Nunneley records. I am unable to locate even a small clue to these people, L. B. Nunley; James Franklin Nunley; or Missouri Ann Nunley. I am sure that you have checked the 1880 census for Ripley Co. MO. James would be only two years old and a location of birth for his father might give me other areas to search. James Franklin is a name used by a Nunneley family from Virginia to Georgia just after the Revolutionary War. Do send me a little more information and I might be able to help.

I have checked our Cherokee Indian records at our local library where I am employed. We have a large collection of material in our museum, but found no mention of Missouri Ann Nunley in any of the records. I did not find a marriage records during the time period she probably would have married in Indian Territory. She must have married in Missouri or Arkansas, as did her brother.

You might check the following:

1900 Census / Oklahoma
T623 - Roll 1846 (this should contain Muskogee)

1910 Census / Oklahoma
T624 - Roll 1263 (Muskogee Co., part)
T624 - Roll 1264 (Muskogee Co., part)

Even though you do not know her married name, a Missouri Ann ?, born in Missouri and near the age you are looking for might be of help. You can then try to follow those females with that name and maybe locate a marriage for Missouri Ann Nunley. I dislike doing research this way, but at times a great deal of guessing must be done to find the person needed.

If you have any other records concerning L.B. and Zephre Ferrell Nunley, do send them and I will try again. I have such a large collection of Nunneley material, I am surprised that I found nothing.

Sorry I could not be of help, but hope to hear from you again.

Sincerely,

Mary

Dear Jean,

Our daughter, Kathleen, called this morning from Hutchinson, KS to tell me that she had been "visiting" by computer with a Nunneley in Texas who is a descendant of Andrew Jackson Baldwin Nunneley (son of Anderson). Kathleen was a bit confused from his message, but so it seemed. He said he had far to much material to send by computer and wanted her mailing address. I suggested that she have him contact me, since she does not DO genealogy research. I believe she said his name was Chuck Nunneley. Will let you know if I hear from him and to whom he belongs.

The main reason I am writing...how is the book progressing? I can hardly wait for it to be available for purchase. Do you have any publication date, as yet?

I am enclosing an SASE so that you might drop me a note concerning the book. I believe our last correspondence was in August 1996. You, at that time, still did not have a publication date.

Anxious to hear the latest and please keep in touch.

Sincerely,

Dear Mary,

Just want you to know we are still here.

Business affairs have nudged the book aside for awhile. Now we are planning a little vacation. When we return, we will hopefully resume work to get our NUNLEY/NUNNALLYs wrapped up and to the publisher. If you have any more on your own line (or others) you would like to have included, let us know.

In fact, as much as we have corresponded, I don't believe you have ever sent your direct line of descent from Hickman County Tennessee ANDERSON NUNNELLY. It is my understanding that your line is through ANDERSON's son JOSEPH ALEXANDER and his son LAWSON HARRISON NUNNELEY II. Donna Nunley Miller sent names and dates for many of JOSEPH ALEXANDER's descendents (including her direct line of descent), but your Richard is not there.

We have recently acquired a picture of the first LAWSON HARRISON NUNNELLY, your JOSEPH ALEXANDER's brother, and plan to get it in the book. I have seen a Xerox copy of a picture of your LAWSON HARRISON II with his family; do you have that picture? Would you like to have it included as well? If so, please send a good print. It is such a good way to preserve very old pictures for future generations.

Please keep in touch.

Sincerely,

Jean

Dear Jean,

We have moved...down the street, but still in Bartlesville. My knees suggested that I needed to quit going to the basement to do laundry and refrain from going to the upstairs bedrooms. We owned two homes here, so made a decision (after our daughter moved to Kansas in Nov., last) to move "down the street" to the single story residence. It is great! and we really did not need four bedrooms.

Now to the Nunley/Nunneley family. I am very excited at the prospect of a good genealogy book on this name. I know you have spent many years and miles of travel researching the name. When do you think the book will be available?

I think it would be nice to include a picture of the Lawson Harrison Nunneley II family in the book. I do have a copy of the photo of Lawson, Malinda and children and have taken it to be copied. My copy is not really good and in a sepia. I have asked them to make a black and white, so it may work for the book. Yesterday, wrote to a granddaughter of Lawson II and ask that she have a copy made of Lawson and wife #2, Mable Rogers Lowery. I might mention that I have a picture of Joseph Alexander Nunneley, Jr (son of Joseph and Clarissa). It is a tintype and will see if it can be copied. Have a good picture of Clarissa Moore Maxwell Nunneley and am having it copied as well.

Have you, in your travels, ever determined who the "other" Anderson Nunneley/Nunnery of North Carolina belonged to...he is also called Andrewson Nunery and, apparently, had a son Joel who requested that Anderson's 640 acres be surveyed (TN military warrant, Oct 1785). The land was apparently assigned to Benjamin McCulloh by 1792. It would appear that this Anderson Nunneley/Nunnery was in the Rev. War and must have died during the service or certainly by Oct. 1785. I believe some have confused this Anderson with Anderson of VA, NC and Hickman Co. TN.

I have always wondered if there was a connection between Anderson and Martha Baldwin Nunneley and William and Mary Nunnally Davenport. William and Mary were married 2 Jan 1783 in Amelia Co. VA. They also went to Lincoln Co. NC at about the same time as Anderson and Martha. I can't seem to locate the small amount of material I have on William and Mary, but as I remember, William was in the RW, and I think from NC. I do know that Mary had sisters, Elizabeth and Jincy. Elizabeth's nuncupative will of 25 Feb 1785 (Amelia Co. VA. ?Book 3) leaves her estate to sisters Jincy and Mary Davenporte.

Will be sending a packet of material on our branch of the Nunneley family (Elbert Alexander and Melcenia Jane McCollough Nunneley). Elbert was a son of Lawson Harrison II.

Dear Mary,

Thank you much for the material which was waiting when we returned from a wonderful vacation/business trip to Idaho, Washington and the Canadian Rockies. Usually our trips are "Book"-related, but this time we got away from it all. Visiting local museums along the way, we were aware of the brief history of the Northwest. Most began this century: few any farther back than Transcontinental RR in 1880's. This helped to put things in perspective, after having been engrossed in seventeenth and eighteenth centures for so long.

Anyway, I am easing back into that era. Wish I could set a date for the book. We had hoped this fall, but summer has been so short!

Through the years, I have shifted your Anderson here and there, and even thought of putting him in a separate disconnected chapter. However, at this time, I feel strongly that he was the one in North Carolina, as we have fairly well traced his movements from place to place as he came across that state and into Tennessee. There are some questions, of course, as there are in every line along the way. Considering the other families who were with him and Peter in Halifax/ Franklin Counties North Carolina, who were still with him in Hickman County Tennessee...among other things which will be documented...we are making that judgment. I suggest that Peter, father of Anderson, was another son of Joseph who died ca1735.

A certain time discrepancy may indicate there was another generation in here: Peter, son Anderson, son Anderson. Lincoln County North Carolina census even reflects two Andersons, which may or may not be accurate.

Meanwhile, back at the ranch... Who was Mary who married William Davenport in 1783 in Amelia County (with sisters Elizabeth and Jincy)? Elizabeth's 1785 will was witnessed by Drury Thompson. In 1790, a Joseph Nunnally filed more than one suit against Drury in Amelia County; neighbors, at least. I have no idea. There are many loose individuals floating around in Virginia I do wish I could connect.

Anderson, with his substantial family, is going to be attached to this tree by a thread which can be detached and reattached at another point, very easily, when someone locates a stronger thread of evidence.

Thanks again for pictures and family data. Keep in touch.

♡ Jean

Dear Mary,

Off and on since receiving your letter, I have tried to work on answers and questions and possibilities. In the midst was a trip to Raleigh, an illness, and other interruptions, and here I am, without the answers, but with more questions.....

[1] The DANIEL NUNNALLY who was brother of our JOHN and of WALTER who d. 1784, lived to a ripe old age. Assuming this is the same DANIEL, an obituary March 13, 1788 in the VA Gazette & Petersburg Intelligencer said, "DANIEL NUNALLY of Chesterfield County died, aged 103." We assume this DANIEL to be the one who married 1725 SUSANNA WOMACK, widow of WILLIAM WOMACK.

Now, I want very much to have the children of this DANIEL, son of RICHARD II, to be: DRUCILLA BRINTLE, OBEDIENCE NUNNALLY, NOEL NUNNALLY, SHERMAN, DAVID, ALEXANDER and DANIEL NUNNALLY JR. Shortal has these children, the offspring of the DANIEL who was son of THOMAS I, but why would they have been here in Chesterfield County with their cousins, when their brothers and sisters remained in the Prince George/Dinwiddie/Amelia/Prince Edward records? This family consistently adjoins ours in Chesterfield, they witness each other´s deeds and wills, in court records together, etc.

This would also connect these WOMACK/NUNNALLY/BRINTLE/FRANKLIN families as on enclosed sketch.

[2] Was SUSANNA TRENT WOMACK NUNNALLY the "SUSANNA NUNNALLY" who inherited the gold ring from her mother ELIZABETH TRENT GEE in 1732?

[3] Was PRISCILLA WOMACK dau of SUSANNA & WILLIAM WOMACK? I tried to read the microfilm of WILLIAM WOMACK´s will in Richmond Archives, but it was very, very dim; I made out 4 of his children: PHEBE, TABITHA, ANDRIA and HENRY. You must have had better luck. What a shame there isn´t some way to view the originals.

[4] Where did you get the maiden name CURTIS for the widow MARTHA KEATT who m. our JOHN NUNNALLY? I have been searching for a CURTIS record.

[5] I agree that the WALTER NUNNALLY who d. 1773 was undoubtedly the son of the WALTER who d. 1784 with heirs EDE GRANT and WILLIAM WOMACK NUNNALLY. This would place the children of the first deceased, LEONARD, BRANCH and JEMIMA, with their guardian, our JOHN, and make connection of various disjointed records.

[6] TN State Library has only microfilm of early marriages for VA counties we are researching, although there are many books, probably the same ones found in all state libraries, for some court records of some counties. Enclosed are a few copies I made recently here in our library...you may have this information.

[7] Re WILLIAM WOMACK NUNNALLY who moved to Elbert County GA just before his death, his will was proven June 21, 1806 in Elbert County: Elbert County GA Will Book 1805, p. 112. I did research on his son JAMES FRANKLIN NUNNELEE of Elbert County, when I was first searching for my great-grandfather. Since my grandfather´s name was JAMES FRANKLIN, I was following every lead. (When I found our true connection in VA, I realized the two JAMES FRANKLINs were several generations removed and probably only a coincidence.) Anyway, I do have the Georgia family, and his DAR file.

[8] Do you know the WALTHALL and PUCKET family connections with our NUNNALLYs? The WALTHALL/NUNNALLY family Bible record is very interesting, and no doubt a direct connection. In Chesterfield County, August 7, 1738, DANIEL NUNNALLY was adm. of the estate of ABRAHAM PUCKET decd, delivered into his hands by SUSANNA PUCKET; RICHARD and ABRAHAM WOMACK were security for DANIEL. [Edward Pleasant Valentine Papers, Vol. III, p. 1801.] Another daughter of JAMES & AGNES FRANKLIN, MARY FRANKLIN, married a PUCKET.

Thank you so much for the copies you sent, and for your interest in my search. I really get overwhelmed sometimes, and do appreciate your encouragement. Looking forward to hearing from you...

Sincerely,

Jean

Dear Mary,

Nearly five years ago I wrote you at the suggestion of our mutual friend Martha Cooke, searching my Nunleys. At that time, I had very little information on my family--beyond my Grandfather James Franklin Nunley and his parents L. B. & Zephre Ferrill Nunley, in Ripley County MO.

Well, now, it is a whole new ballgame, and I hope you can help me score more points! I hardly know where to begin...

We learned that Grandfather James Franklin Nunley was the first in our family to simplify spelling to Nunley, from Nunnally. His father consistently signed his name Nunnally, as did his family before him, allowing for every spelling imaginable on court and county records. We traced James Franklin's father, William L. B. Nunnally, back to Barren County KY, where he had another wife and six children before going to MO. This was the first exciting find...cousins, aunts and uncles whom no one had ever heard of!

William L. B. Nunnally was born ca1815 in Buckingham County VA, son of Bernard Nunnally (moved to KY ca1817), son of John Nunnally II, son of John, son of Richard. Before Buckingham County, they were in Chesterfield/Henrico Co and Southside VA, with every other Nunnally/Nunneley/Nunnelee, I guess.

After several trips to the VA counties and VA State Archives, we still have been unable to connect the Nunneley/Nunnelee branches who came to Hickman County TN, and that is what we had hoped to do. Are yours descended from the same Anderson who is Martha's ancestor? Have you found the parents of that Anderson? What about the Edward Nunnelee who came to Hickman County about the same time, to the same creek?

Recently we have been in touch with Lynn Collis in Bartlesville; she said she knows you. She sent her computer "time-line" on these families, and we were wondering if you had helped her with it, since you had said you had a lot on the Southside VA families.

Another elusive connection we have been striving with is trying to sort out the early Daniels and Walters who were there, who do not seem to fit into the picture...and that is before we even get to all the Andersons later on! Is there any chance of our connecting?

We would like to hear from you, and to know where you are in your search, and your suggestions for our next step.

Sincerely,

Jean

Dear Jean,

It was nice to hear from you again after five years and know of your continued interest in the Nunneley families. I was happy to learn that you had made much progress since we last corresponded.

Lynn Collis and I worked together in collecting the information for the "time-line". We both read microfilm from the Virginia State Archives and Lynn entered the information into her computer. She moved from Bartlesville for a few years and this stopped our research on the Nunneley name. She has returned recently, but we have not resumed the search for all of that name. Maybe sometime in the future we will try again.

I have not corresponded with Martha Cooke in many years. She, as I recall, is descended from Lawson Harrison Nunnelly who married #1 Mildred White and #2 Elizabeth Sandels. My husband descends from Joseph Alexander Nunneley who married #1 Nancy Easley and #2 Clarissa Moore Maxwell. Both were sons of Anderson and Martha Baldwin Nunneley of Hickman Co., TN. Since I last heard from Martha, I have collected much information concerning the Hickman Co. families, but last I heard, she was quite busy and probably not doing much genealogy. She was very involved with her local chapter NSDAR. I have been an officer of our DAR Chapter for several years and Registrar for four years. It seems almost a "full time thing", but I enjoy working with the people who are interested in joining Daughter of the American Revolution.

If you have used the manuscript of Joseph Adams Shortal (privately printed, 1978), it is full of errors. I corresponded with Joe for many years before he had the stroke and he always agreed that he had made many mistakes. BUT, he never corrected any of them. As Lynn and I read Virginia county records, I would send him corrections. He acknowledged those corrections, but even submitted his Nunnally Genealogy for publication in the March 1984 issue of Virginia Tidewater Genealogy (Hampton, VA) with no changes from the original. He had a great deal of additional material, with proofs, which could have made his genealogy so helpful to many. I am not aware if he is still living, as the last I heard, Joe and wife had moved to Indiana from VAirginia. He was in a nursing home.

Now to try to sort out some of the early names:

Richard 1 - resident of Henrico Co. VA in 1663 - fined for non payment of tithes

Richard, JR 2 - died 1727 (his will) Henrico Co. VA. Married Sarah Akin, dau of James and Sarah Akin. Sarah is named as a daughter in both James and Sarah Akin's wills. Sarah Nunneley, after the death of Richard 2, married william Jackson.

Thomas 2 - nothing further found

Daniel 2 - died bef 4 Feb 1688, Charles City Co. VA. Adm of his estate granted to Walter and Richard Nunnally and John Bowman. John Bowman had married Elizabeth, widow of Daniel.

Walter 2 - died bef 5 Jan 1691, Charles City Co. VA. Order for attachment against his estate filed that date by Capt. Charles Goodrich.

Joe Shortal did not include Daniel 2 and Walter 2 as issue of Richard 1. Lynn and I feel sure that they are, indeed, sons since Richard 2 and Walter 2 were administrators of his estate. We have done no work in Charles City County, VA. I should begin that now, since it may help determine who some of the unidentified Nunneleys.

Richard 2 married Sarah Akin. His will proven in Henrico Co. VA in 1727 and names issue (he surely had daughters!):

Richard III 3 - married Mary (Henrico deed of 1737)
William 3
Daniel 3 married Susanna Trent Womack, widow of William Womack (Daniel did marry Susanna Puckett, widow of William Womack as stated by Joe Shortal). Susanna's mother, Elizabeth Trent Gee in her will of 2 Oct 1732, Henrico Co., names her Trent sons and her dau Susanna NUNNARY.
Joseph 3
John 3 - your line
Walter 3

Most of the Nunneley (and variant spellings) have been attributed to the issue of Richard 2 who married Sarah Akin. I rather wonder if many of them should be assigned to Daniel 2 and Walter 2, about which nothing is now known. Also, little is known about Thomas 2.

You ask about the Anderson of Hickman Co. TN, my husband's ancestor. It is thought that his line could be Anderson, Joseph, Joseph, Richard, Richard, but this is unproven, though it seems possible. Anderson's probable father, Joseph married Frances and had issue:

John m Mary Morris, dau of Tabitha Morris, Amelia Co. VA 14 Mar 1785
Obediah m Elizabeth Baldwin, dau of William and Elizabeth Baldwin, Amelia Co. VA 25 Feb 1784 (William's will names Elizabeth)
William - listed as a son by Shortal, but unproven and nothing known

Other issue possible:

Mary Nunnely m William Davenport, Amelia Co. VA 2 Jan 1783, they moved to Lincoln Co. NC where both died
Elizabeth - her will in Amelia Co. VA 25 Feb 1785 gives to her sister, Mary Davenport and sister Jincy her estate because she expects to die.
Jincy - see above will of Elizabeth
Anderson m Martha Baldwin, dau of William and Elizabeth Baldwin of Amelia Co. VA. William's will of 14 Mar 1789 calls her Martha Baldwin and this Martha in 1824 from Hickman Co. TN gives her brother power of attorney to obtain her share of that estate which had litigation since 1803. The court records call her Marthey Nunnely. Anderson and Martha lived Lincoln Co NC (1800) Rutherford Co. TN (1810); Hickman Co. TN (1820); Martha-Hickman Co. TN (1830); Martha-Hickman Co. TN (1840)

I believe Anderson died before 1824 in Hickman Co. This may have caused Martha to file the court suit from Hickman Co. to obtain the rest of her money from her father, William's estate. Martha still had young children and probably needed the estate money due her to assist with the raising of those children.

Now to the Edward Nunnelee of Hickman Co. This is rather a mystery. In 1978, the Daughters of the American Revolution marked his grave in Gray's Bend Cemetery, Hickman Co., TN with an historical marker for his

Joe Shortal did not include Daniel 2 and Walter 2 as issue of Richard 1. Lynn and I feel sure that they are, indeed, sons since Richard 2 and Walter 2 were administrators of his estate. We have done no work in Charles City County, VA. I should begin that now, since it may help determine who some of the unidentified Nunnelleys.

Richard 2 married Sarah Akin. His will proven in Henrico Co. VA in 1727 and names issue (he surely had daughters):

Richard III 3 - married Mary (Henrico deed of 1737)
William 3
Daniel 3 married Susanna Trent Womack, widow of William Womack (Daniel did marry Susanna Puckett, widow of William Womack as stated by Joe Shortal). Susanna's mother, Elizabeth Trent Gee in her will of 2 Oct 1722, Henrico Co., names her Trent sons and her dau Susanna Womack.
Joseph 3
John 3 - your line
Walter 3

Most of the Nunnelley (and variant spellings) have been attributed to the issue of Richard 2 who married Sarah Akin. I rather wonder if many of them should be assigned to Daniel 2 and Walter 2, about which nothing is now known. Also, little is known about Thomas 2.

You ask about the Anderson of Hickman Co. TN, my husband's ancestor. It is thought that his line could be Anderson, Joseph, Joseph, Richard, Richard, but this is unproven, though it seems possible. Anderson's probable father, Joseph married Frances and had issue:

John m Mary Martin, dau of Tabitha Martin, Amelia Co. VA 10 Mar 1758
Goodrum m Elizabeth Baldwin, dau of William and Elizabeth Baldwin, Amelia Co. VA 25 Feb 1784 (William's will names Elizabeth)
William - listed as a son by Shortal, but unproven and nothing known

Other issue possible:

Mary m William Davenport, Amelia Co. VA 2 Jan 1783, they moved to Lincoln Co. NC where both died.
Elizabeth - her will in Amelia Co. VA 25 Feb 1785 gives to her sister, Mary Davenport and sister Jincy her estate because she expects to die.
Jincy - see above will of Elizabeth
Anderson m Martha Baldwin, dau of William and Elizabeth Baldwin of Amelia Co. VA. William's will of 14 Mar 1790 calls her Martha Baldwin and this Martha in 1824 from Hickman Co. TN gives her brother power of attorney to obtain her share of that estate which had litigation since 1803. The court records call her Martha Nunnelly. Anderson and Martha lived Lincoln Co NC (1800) Rutherford Co. TN (1810); Hickman Co. TN (1820); Martha-Hickman Co. TN (1830); Martha-Hickman Co. TN (1840).

I believe Anderson died before 1824 in Hickman Co. This may have caused Martha to file the court suit from Hickman Co. to obtain the rest of her money from her father, William's estate. Martha still had young children and probably needed the estate money due her to assist with the raising of those children.

Now to the Edward Nunnelee of Hickman Co. This is rather a mystery. In 1976, the Daughters of the American Revolution marked his grave in Gray's Bend Cemetery, Hickman Co., TN with an historical marker for his

Revolutionary service. The address given that day for the dedication of that marker was prepared and given by a descendant, Mrs. James Dannelly. She stated that Edward was born in Craven Co. NC about 1756, the son of William Edward Nunnelee. Mrs. Dannelly and I have discussed this over the years and I think Elizabeth now wonders if the father is truly William Edward Nunnelee of NC. Edward Nunnelee in his deposition for pension for his RW service stated that he served from VA (proven) and that while in service, his father died and he returned home to his mother. The company muster rolls of the 5th Virginia Regiment, indeed, show that Edward Nunally/Nunnally/Nunnelley/Nunnelee was "left in Virginia" from 28 Aug 1776 until Dec 1777. In Chesterfield Co. VA:

1777 - Lucy granted admr of est of Daniel, 3 Jan.

1777 - Inven of Daniel, Jr., value-L349.19.0, by George Cogbill, Jr, Charles Cogbill and Archibald Walthall, 14 May.

1778 - Deed: Edward, heir at law of Daniel dec'd and Lucy (X), wid of sd Daniel, to Joseph Dillon, of King William Co., for L180, 113 a in Dale Parish...all the land where Edward and Lucy now live.

When one follows this 113 acres sold by Edward, heir at law of Daniel, it appears to fit the following land:

1765 - Daniel, Sr. to Daniel, Jr., for love, 100a on S Fork, adjoining Charles Cogbill, George Cogbill, Walter Nunnally and others. Deeded 5 Apr-6 Apr

1762 - Deed: Henry Walthall and son, Thomas to Daniel, for L12, 13 acres, etc.

The above Edward and Lucy seem to disappear from Chesterfield Co. records after the sale of the 113 acres. Is this the Edward of Hickman Co. TN?

By now you must be very confused. Researching the Nunneley name tends to make that happen... If you have done a time-line on your research, we would like to know if you can fill in some of our blank years. I think the work Lynn and I have done has been helpful to several, but we really need to continue.

Again, so glad you have found some additional ancestors and will look forward to hearing from you.

Sincerely,

Mary R. M. Nunneley

Dear Mary,

Thank you so much for your letter. No, it was not at all confusing. As I read it, I was familiar with everyone you mention, and documents you mention--and I had had some of the same thoughts about those obscure people!

Your comments about the Shortal book were interesting. I had wondered how reliable the connections were, since he seldom included documentation. He does have descendents of Thomas, son of Richard I; you say "nothing further found" on that Thomas. Is this one line you disproved in his manuscript? The LDS Library IGI file also includes this line of Thomas, but then again, what is their source? I have always felt that their information often just gives one a clue as to where to research. Incidentally, LDS also includes as children of Richard I b.ca1640, in addition to Thomas b.ca1670 and Richard II b.ca1660, a Walter and a Daniel. I had suspected Richard had sons Walter and Daniel, since we do have records of both in that time frame--and the names are repeated so often in Richard´s family.

In an attempt to sort through some of the Walters and Daniels, I am including some notes on each name--just some; see what you think.

If you don´t want to plow through all this, I will understand. It is just that I have shuffled these papers and made notes of notes and written and rewritten families...surely the clues are there if some smart person can put it together.

Did I tell you I am writing a book? Since writing you five years ago, we published my second book, Our Dennison/Stroud Family, on Marshall´s father´s family; the first covered his mother´s lines, Our Head/Holmes Family. So you see, I am serious about this work, and would like to think that sometime in the foreseeable future, we will be content to stop searching and start writing...before all my parents´ brothers and sisters are gone, hopefully. It goes without saying that we want to have my family as accurate as possible, and as complete.

Your help and suggestions will be appreciated.

Sincerely,

Jean

"EARLY WALTER"

"Early Walter" d. by 1691 Chas City Co VA (Court Order for attachment granted Capt Cha Goodrich against est. of Walter)

Assuming "est." meant Walter was dead, maybe he was another brother of Richard I.

We find another Walter after that, possibly the son of "Early Daniel" mentioned:
1695 - Walter serves on grand jury, Chas City Co
1704 - Walter on Quit Rent Rolls, Pr Geo Co
1706 - Walter buys 418A on Blackwater Swamp, Pr Geo Co, from Richard Bland. (Incidentally, in 1724, Thomas II & Elizabeth sold half of this very plot; how did they get it? What is that connection?)

....

Then there is the Walter who d. 1773 Chestfld Co, close to our family. He presumably had wf Martha, as she was admx of his estate, and received a third of the estate. She later m. Charles Hamlin and as Martha Hamlin continued in the administration of Walter's estate. Walter left 3 minor ch; and in 1778, John Nunnally was appointed guardian of Leonard, Branch & Jamima, orphans of Walter. Leonard remains in Chesterfield records, near our John's family. Branch is with our John in Buckingham Co tax recs as a tithable. From 1803 through 1806 Branch is head of his own household. Then there is a Branch on 1820 Census in Smith Co TN, with approx the same birth date (1771-1846); his line remains in Smith Co, and most spell the name Nunley. May be a different "Branch" since it is repeated about as often as "Anderson" and "Lawson" and some other uncommon given names.

....

The Walter who d. 1784, I assigned to the brother of our John:
Walter Nunnally b.ca1704 d. 1784 Chestfld Co
m. Priscilla Farrar
They had ch: Ede Grant & William Womack Nunnally. Wm Womack (1738-1804) late in life sold Chestfld land and moved to Elbert GA. He & his son James Franklin both served in Rev War, and GA family records change the spelling to Nunnelee. I believe Elbert GA is just across the border from NC/SC--the source of some later birth places?

"EARLY DANIEL"

"Early Daniel" d. before 1688 Chas City Co VA
m. Elizabeth ______ (as Daniel´s widow, she m. John Bowman)
1665 - Chas City Co Court Recs - Daniel sued by a servant
1686 - Daniel has 347A in Chas City Co, Bristol Parish

LDS file has this Daniel as the son of Richard I, as you did. The reason I suspect he may have been a brother of Richard I is: Daniel & Elizabeth had a son Walter who must have been b.ca1670. In 1693, Walter, "son and heir of Daniel," was old enough to buy from his mother and stepfather for 1200 lbs tobacco, the plantation in Chas City Co Daniel willed to Elizabeth. This pushes the probable birthdate of "Early Daniel" back so far, he could hardly have been son of Richard I b.ca1640. The above court dates are contemporary with those of Richard I, also. What do you think?

Other Odd Daniels:

There was obit in Chesterfield Co newspaper when a Daniel Nunnally d. in 1788, at "age 103." Since his birth date, 1685, fit in with the Daniel who was son of our Richard II, I put him in that slot. I don´t have any children for him. (Some of the "unknowns" may fit here.) If he was the Daniel who m. 1725 Susanna Womack, widow of William Womack, he was older and may not have had any children; maybe they just reared her Womack children. (Isn´t it interesting that Daniel´s brother Walter named his son "William Womack Nunnally"?)

....

Daniel d. 1777 Chesterfield Co
m. Lucy _____
Son Edward

As you said, it would seem this Daniel (who is listed "Daniel Jr" on the administrators´ bond in VA Archives) is the same one who received from Daniel Sr in 1765 100A in Chestfld Co adj Cogbills, & in 1762 from Walthalls. Daniel´s estate appraisement was large, and was signed by George Cogbill Jr, Charles Cogbill and Archibald Walthall.

1786 -"David" made oath in Chestfld Co that he is father of Daniel who died in the army. (Sometimes "David" & "Daniel" look alike.)

You noted that Edward and Lucy sold 113A in Dale Parish where they lived in 1778, & disappeared. Did they move to Halifax?
1776 - Daniel Jr of Chesterfield Co bought 200A in Halifax Co VA, witnessed by Jesse & John Cogbill.
Beginning 1779, several Nunnally/Nunnalee marriages in Halifax Co:
1779 - Henrietta m. James Oliver
1782 - Edward m. Sarah Vaughan
1787 - Rhoda m. James Hunt
1797 - Harbard/Herbert m. Judith Farmer (They had son Danl b.1814)
1813 - Daniel m. Martha Dickson
1815 - Nancy m. Lewis Tune
1817 - Mary m. Benjamin Hardin
1821 - John m. Mary P. Thornton
1825 - Sophia, d/o Harbert, m. Francis T. Richardson

Many of these Halifax folks spelled their name Nunnelee. Was Edward on his way to NC? TN? On the way, did he stop in Pittsylvania Co?
1791-1794 - Edward Nunnelee witn deeds in Pittsylvania Co VA
1787 - Bartlett Nunnellee here - m. Salley Johnson
1797 - Bartlett Nunnellee, decd; his admr, Edward Nunnellee
(Then in 1817 Edward Nunnalee b.ca1757 m.TN Mary Reeves Sunderland.)

....

Whoever that Daniel who d. 1777 was, he and wife Lucy were neighbors of our Chesterfield Co family; their land adjoined Walter, William Womack Nunnally, Noel and Sherman Nunnally, et.al. Noel and Sherman had a brother Daniel Jr (b.ca1762), all sons of Daniel, son of Thomas II, according to Shortal. The family of that Daniel, Sr. (b.ca1731) is consistently in Chesterfield Co near our John, Walter who had Wm Womack, and other ch of our John; their land joined, they witnessed each other´s deeds and wills, etc. Other children of Thomas II (1695-1737): Peter (b.ca1723), Thomas III (b.ca1726), John (b.ca1728), Mary (b.ca1733) & Zachariah (b.ca1735), are in Prince George, then Dinwiddie & Pr Edward Counties.

Peter (b.ca1723) (above) had son Peter, Jr. Some of Peter Jr´s ch moved to Callaway Co MO, and are mentioned in Pioneer Families of Missouri, as well as Goodspeed; some of those ch were not included by Shortal. Another son of Peter (b.ca1723) was William (b. ca1758 Pr Edw Co). LDS ancestor file has a William B. Nunnelly b. ca1756 Pr Edw Co, who m. ca1780 Elizabeth ______. They had a son Anderson Nunnelly b. ca1782 Pr Edw Co, who went to Pulaski KY, had ch and died there 1860. Many descendents remained in Pulaski KY records. Children of that Anderson & Mary Nunnelly: John P. b. 1816; Margaret b. 1820; James b. 1823; Lewis b. 1825; Richmond b. 1830; Philip b. 1832; Amanda Jane b. 1834; Green b. 1838.

....

Another Daniel d. 1813 Chestfld Co with wife Phebe and the following ch: Daniel, John, James, Pleasant, Alexander, Edward, Frances "Frankey", and Betsy. The location and dates would fit the Daniel, Jr (b. ca1762) mentioned above, son of Daniel (1731-1787), son of Thomas II (1695-1737). That Daniel Jr. had brother Alexander and a nephew Edward.

* * * * * * *

If Joseph Jr´s sons were Obadiah (1756-1822), John (1756-1808) & William (b.1760), maybe Shortal´s William was "William Anderson" and m. sister of Obadiah´s Baldwin wife--the TN family. That would be a neat little package, especially since the TN Anderson named a son Joseph (for his father?) and one John (for his bro?). And Joseph Jr´s son John named a son Anderson (for his bro?). Anderson & Obadiah are both on 1787 Personal Property Tax List in Amelia Co VA.

Hi Lynn -

Nice to find you.........I knew you moved to Arkansas, but did not know the location. You probably told me and it slipped my mind. Know you are enjoying the area.

I have not talked to Jean since shortly after the book was published. I mentioned the possibility of a short run (paperback) of corrections and updates. She was certainly not receptive to my suggestion. I have a two-volume set of the Popejoy Family History. The author, shortly before he died, sent a paperback update of about 80 pages to those of us who has assisted his publishing works. There was no charge and he said it would be his last publication.

Maybe someone will, some day, publish another Nunnally/Nunneley book with all of the corrections. Shortal's work had so many mistakes and now Jean's book is out there being quoted as "gospel". People just do not realize that because it is in a published book, it is not necessarily correct.

I was so glad you entered the material on GenForum so that researchers of this name can see that what was written in Jean's book certainly needed more research.

Indeed there is so much now on the internet concerning genealogy. I am still quite new at using a computer and keep trying........it gets a bit easier each day. My computer has a glitch of some sort and I am unable to download. Really can download, but for some strange reason we are unable to get the info out of the computer. SO - I just do not download anymore and tell people I am still in a "paper copies mode".

Keep in touch,
Mary Nunneley

Hi Mary,

Nat and I moved to Bella Vista AR this past April. We have a place right on one of the lakes. This is where we decided to retire. Nat can play golf and fish and I can look at the water. I spend lots of time at the computer. There is more and more genealogy to be had. When I went to the Nunnally page and saw person after person using the Nunnally book as an unquestioned source, I just had to say something. For the most part, of course, the book is wonderful, and well documented..except for that one little date error, which she just took from Joseph Shortal and some information about your family. Have you ever heard from her again. I wondered if she was going to acknowledge the error and try to print corrections.

Let's try to stay in touch.

Lynn

Richard Nunnally b ca 1661-new info.

There has been new information found since Jean Dennison's book was published. It now seems that there was not a Richard Nunnally born ca 1640. Jean gives as proof that Richard was born ca 1640 the following: 1663-Richard fined for nonpayment of church tithes. However, upon closer examination of the original record we find that it actually says this:
1692-Hen:Randolph having exhibitted an Information to this Court for not Listing himself being a tythable according to law Ag:t Rich:d Nunnally & ye sd Nunally making no valueable defence Judgem't is therfore granted ag:t him for One thousd pds tob according to ye 7th Act of Ass:bly A:o 1663 als:Exec. In consideration of ye sd Nunalys paying proporconably to his Levys & all Officers fees accrueing by ye Information Hen: Randolph acquitts & releases him from ye above Judgemt., Dec.
As you can see, the date 1663 refers to the act of Assembly, not the court case, which took place Dec 1692. The earliest Richard Nunnally, on record, is Richard Nunnally b. ca 1660, d. 1727 Henrico Co Va, who married Sarah Akin, dau of James Sr and Sarah Akin.
It is now believed that Richard Nunnally was the son of Daniel Nunnally of Charles City County Va.
Chas City Co
1665/6-Chas City Co-Welthan Taylor v. Daniel Nunnally, for certain clothes according to custom for her service plus 140 lbs tob for her corn, to be paid " at the arrivall of ships", 3 Feb.
1665/6-Chas City Co-Deposition of Daniel Malone age 22..Welthan Taylor, late servant to Daniel Nunnally spoke to deponant about 2 or 3 times and 20 Dec 1665 to draw conditions bet her and Daniel Nunnally.. she answered she had sold some of her corn to her sd master and "further sayth not".., 5 Feb.
1686-Pat-Mr. Robert Bowling & Mr Danniell Nonaley, 347a Chas City Co, Bristol Par, on S/S Appom Riv, adj Mr Robt Bowlin's land, 30 Oct.
Hen Co VA
1687-Hen Co VA-Bessie a negro girl sold by Mr Richd Kennon to Dan:ll Nunnery is brought before the court and judged to be ten yrs old, Apr.
Chas City Co VA
1689/90-Chas City Co-Joint adm granted Walter Nunnally, Richard Nunnally and John Bowman, who married the wid of Daniel Nunnally dec'd, 4 Feb.
1690-Chas city Co-The 347a granted Daniel Nunnally and Robert Bolling is deserted and granted to Capt Roger Jones, 23 Oct.

1693-Deed:John Bowman of Roxdale in Hen & wife, Elizabeth (X), late wid of Daniel Nunnally of Chas City (sd Daniel left the plant in Chas City called "Bull Hill" to wife) > Walter Nunnally, son of Daniel, for 1200 lbs tob, "Bull Hill", wit:Thomas Sisson & Nicholas Dison, 20 Apr-1 Mar 1707.
It apears that Daniel had two known sons, our Richard and Walter Nunnally, whose descendants lived primarily in Charles City and Prince George and Dinwiddie Counties.
I will be glad to share any information that I have. Let me know what you think.

Dear Jean,

I have received both of your letters and the enclosures concerning the Anderson of NC. Will only answer the letter of 10 May 1994 with thoughts about Obediah Nunnally, with another letter to follow later.

I have gone through everything I can find concerning Obediah and Elizabeth Baldwin Nunnally and now question the existence of the son, James. I suppose it possible, but I find no such named Nunnally either in Nottoway Co., VA or Caswell Co. NC on the 1810 and 1820 census. The Leander W., named in Obediah's 1822 will was born ca 1810-20 per the 1840 census of Caswell Co. NC. If we guess that Obediah named his grandchildren in order of birth, then Leander may be the oldest grandchild of his son called ?James. OR, could these four named grandchildren be the issue of William H. by a first marriage? The 1820 census of Caswell Co. NC for Obediah indicates that they were probably living with Obediah and Elizabeth, as follows:

Male 0-10 - Leander W.?
Male 0-10 - James?
Male 26-45 - William H. ?
Male 45+ - Obediah
Female 0-10 - Mary T. or Louisa?
Female 10-16 - Mary T. or Louisa?
Female 45 + - Elizabeth

William H. (born 26 Dec 1792-Shortal) falls within the right age group, 26-45, in the residence of Obediah. No William is found as head of household. Shortal says that William H. married #1 unknown and #2 Ann Smith. Caswell Co. marriage bonds, indeed, show that W. M. Nunnally married Nancy Price, date of bond, 6 May 1823, bondsman, Henry Cobb (Henry Cobb had married Martha Nunnaly in Caswell, 7 Dec 1818 with William H. Nunnaly, bondsman). The 1850 census of Caswell lists:

18 Dec 1850 - page 259
1307-1311

William H. Nunnally	58	M	Farmer	$1200	Virginia
Nancy ?L.	44	f			Caswell
James W.	19	m			"

It seems likely that this could be a second marriage for William because of the difference in ages. Shortal statement concerning the marriages may be close...Did William marry #1 Ann Smith and #2 Nancy Price, born 12 Jan 1808, died 2 Nov 1875?

Now to the James who has been listed as a son of Obediah...the DAR papers of Miss Helen Diane Foster, #556902 (Feb 1971) lists James as the oldest child of Obediah and Elizabeth. Miss Ann Waller Reddy, Virginia genealogist, did work for Major Perkins Nunnally of Pine Bluff, AR in the 1960's. In one of her reports to him, she stated that Obediah had sons James and Wm. H. I might mention that her report contained errors which we can prove! And finally, someone who has submitted material to the LDS Library has named James as a son of Obediah...I do not have this material, so do not know the name of the submitter.

An interesting item:

Prince Edward Co. VA
James Nunnally m Louisa Fowlkes, dau of John, dec'd
15 Oct - 27 Oct 1810
Sec: William Baldwin

No James Nunnally is listed on the 1820 census of Prince Edward. The security named, William Baldwin...is he the brother of Elizabeth Baldwin who married Obediah Nunnally?? Did this James Nunnally and Louisa Fowlkes Nunnally have issue: Leander W.; Mary T.; Louisa; and James? We know as previously mentioned that Leander was born ca 1810-1820 per the census of 1840. Prince Edward adjoins Nottoway, so this James who married in 1810 could have lived in any adjoining county. I have just noticed this marriage for James and Louisa, so have not looked for any information concerning the name Fowlkes. Sorry her father, John, was deceased at the marriage. His will might have helped by naming grandchildren as did Obediah.

I am enclosing a few items that make brief mention of Obediah and family. As I said before, some have obvious errors, but guess this is genealogy. I am also, enclosing a bit of copy money. You are doing a wonderful "sorting" job and want you to please continue and keep me updated.

Will start going over your last letter and the packet. I will only add to the confusion by telling you that there were TWO Anderson Nunneley (Nunry) men in NC in the 1790's or so it seems. One died by 1792 and the other is mine...now which one had a father, Peter???

Will start getting the Anderson things together and write when I finish. Thanks so much for the latest.

Sincerely,

Mary

Dear Mary,

Even when you do not hear from me, know that I am still working, still shuffling papers, still trying to make sense of the Great Nunley/Nunnally/Nunneley Saga...

Marshall and I have just returned from yet another VA/NC Research Trek, which dragged us through thirteen courthouses and six libraries. We are trying to establish some kind of migration pattern for these known VA folks, through NC, into TN and other points. As usual, we made many new notes, made many copies, and may only have added more pieces to the puzzle...no good without "fits." It will take a while to sort through things.

We had not done much in North Carolina, except through books we found other places...poor substitute for the actual courthouse rummaging, but better than nothing. Anyway, we took in a few more VA counties we had missed: Dinwiddie, Prince George, Charles City, Powhatan, Cumberland, Nottoway; then into North Carolina, to Halifax, Franklin, Caswell, Rowan, Lincoln, Rutherford and Buncombe, all of which reflected early Nunnallys on various records. This is in addition to University of NC Wilson Library at Chapel Hill NC, and another visit to the NC State Library & Archives.

We are finding the same names, with many of the same allied families, moving from place to place. When this "Migration Chart" is completed, it may give us a clue to the missing link between VA knowns and these other TN/KY/MO knowns. This may be a dream...

One minor point I noticed...If you will refer to Shortal page 8 for a point of reference...To 5.5 Obediah you have added James S. who m. 1824 Tabitha Gillespie. There may be a time conflict.

Obediah's 1822 will names 4 children and 4 grandchildren, presumably children of James, since James is not one of the 4 children named. If James married Tabitha in 1824, their children would not be in this 1822 will. Obadiah's grandchildren mentioned in his will:

Leander W.
Mary T.
Louisa
James

James, son of Obediah, must have married someone else; and the James S. who married 1824 Tabitha, dau of Alexander Gillespie, may have been James, Jr. mentioned above.

Six of the seven children of James & Tabitha are named in the estate settlement of her father who died 1854.[1] Tabitha is deceased, and Alexander Gillespie leaves to her children:

Jane
Mary
Leander W.
Phebe
John Thomas
James
(space left) Nunnally

The first Leander W. Nunnally d. 1849 in Rockingham Co NC. (The Caswell Co Nunnally family cemetery where Obediah and Elizabeth are buried is near the Rockingham Co NC border.) James & Tabitha evidently named a son for James' brother Leander W., which families did all too often.

You might ponder this and let me know what you think...while I pull things together enough to pose additional questions and conflicts, or maybe even to find some answers...

Thank you for keeping in touch, and for your help and encouragement.

Sincerely,

Jean

NUNNALLY - MORRIS

The earliest records of your 'NUNNALLY' family in Virginia are to be found in Henrico County. Until such connection can be directly established it is useless to pursue the line of research. The following 'will' shall no doubt be of interest to you on account of the names listed The 'NUNNALLY' family goes back much farther in Henrico.

Henrico Miscel. Records Vol. 7 page 2367-68

'Will' of Richard NUNNALLY of Henrico dated 1727, no day or month on folio and obliterated on 'Will' itself.

"I give unto my son Richard NUNNALLY that tract of land whereon he now liveth adjoining John Pawley, but to give his brother

WILLIAM NUNNALLY ten shillings sterling money of England when said William is of age. Son-

DANIEL NUNNALLY the plantation on which he now liveth adjoining Henry Walthall and John Fawley, and to a line marked between he and his brother.

DANIEL NUNNALLY shall give his brother Joseph NUNNALLY the plantation three years rent free and one hundred pounds good tobacco. I give and bequeath all of my land on the northeast side of the swamp to my son,

JOHN NUNNALLY land adjoining John Fawley to a branch joining his brother RICHARD; and if no heir to

JAMEY, my grandson, and son of RICHARD NUNNALLY ten shillings money of England. Son,

WALTER NUNNALLY all the rest of my land whereon I now live, he paying to his brother WILLIAM one hundred pounds of tobacco when of age. - - - "

(Balance of 'Will' obliterated)

Note: All of the aforesaid 'NUNNALLYS' show-up and continue on the Henrico records until 1748, when this area became 'CHESTERFIELD' CO., and they were switched to this new County. From here they spread out over Virginia and other States. AMELIA CO. got its share of Chesterfield people.

The other possibility is Prince George County, but there are not too many records left for this county as they were destroyed during the War between the States, while the siege of Petersburg was going on in 1865. The following births from Bristol Parish Register were before Amelia was formed from Prince George and Brunswick Counties. AMELIA became Raleigh Parish and there are no records of this parish to amount to anything of value. Prince George remained Bristol Parish.

All of OBEDIAH NUNNALLY'S family lived in Nottoway Co. He was still there in 1815.

The first record of AMELIA CO. for the 'NUNNALLY' family was in 1780. Of course the Bounty Warrant and Claims Records show that

Joseph NUNNALLY, and his sons JOHN and OBEDIAH were in Amelia Co. as early as 1777, the year of enlistment for Joseph and John, but, the actual County Records and the early tithes for Amelia 1736, 1741, 1747, 1758 and later, show no 'NUNNALLYS'. This does not mean that they could not have been there, because the 'MORRIS' family moved there about 1745-50, from Hanover Co.

The MORRIS Family owned enough land for all the MORRIS and NUNNALLY descendants in several counties. Robert NUNNALLY who showed up on the tax books for 1793 and several more years was dead by March Court 1802. A suit by him was abated due to his death, and was reopened for his son Charles to sue to recover money from James Robertson. This also may indicate that Anderson NUNNALLY, who was listed in 1787, may have been old enough to have been the father of your son John NUNNALLY, who married Mary Morris (1785).

IN CONCLUSION: Much time was spent trying to connect the 'NUNNALLY' family of Amelia Co. with those of HENRICO Co. and Chesterfield with no success. This does not mean that it cannot be done but it does mean that much time will be required with NO definite guarantee of success. The only thing definite at this time is that they are all of the same origin

A study of the names of John NUNNALLY'S children show many names that go back for years in the MORRIS Family, and some no doubt do the same for the NUNNALLY family. I attempted to find a connection with the 'ANDERSON' Family of Amelia Co. but at this time have not found anything other than their being neighbors. It is significant that the name ANDERSON was carried out. Incidentally, the 'Ephriam' who moved from Nottoway Co. to Amelia Co. and died the same year as Mary Nunnally 1842, had a son named
? 'Anderson'. (This Ephriam was gr.son of x Obadiah of Amelia and Nottoway Counties). He also had a son 'John'. Reading the orders might help, but this would be very expensive dur to the time required.

I am looking for information on the marriage of Elizabeth NUNNALLY, daughter of Obediah/Obadiah NUNNALLY and Elizabeth BALDWIN of both Virginia and North Carolina. I've seen certain sites that say she married Henry HOWARD but not much else has been said that I can find. Elizaebth was born abt. 1789 and Henry abt. 1785 in Virginia I believe.

Obadiah was born abt. 1756 in Amelia Co., Virginia and died 22 Feb 1822 in Caswell Co., North Carolina. He and Elizabeth BALDWIN were married on the 10 Feb 1785 in Amelia Co., Virginia. Obediah/Obadiah was a Revolutionary War soldier.

Thanks.

Mary, I am trying to find more information on Martha Nunnally and Henry Cobb. Would you have anything on this family? I would like their marriage date, dates of birth/death on Martha. Anything you have that would help me establish a tie to Henry (M) Cobb if possible.
Henry M. supposedly the son of Henry Sr. becomes Henry M. Jr. has been my brick wall for awhile. I can get around him but not establish for sure (if anything is for sure in genealogy) the relationship.
Thank you very much

Since this is not a direct line for us, I really do not have much info. The following:

Caswell Co. NC / No book or page given
Martha Nunnaly to Henry Cobb
7 Dec 1818
Witness: William H. Nunnaly

If you have a birth year for your Henry M. Cobb Jr., I will search further. Even a circa birth year might help.

The following was written to me January 9, 1967 by a Nunnally relative, who said he had searched the Nunnally line years ago, but his records were destroyed in a fire (sorry about this typewriter - it won't do what I want it to). Some I know to be wrong, however, there may be some truth in what he says.

"Two Nunnally boys came to this country around 1800 - perhaps a few years later and first settled in N. C. Later they came to Georgia. Later William George Washington went back to North Carolina, and the other boy stayed in George. The Nunnally Candy Company was owned by this boy's descendents."

COMMENTS: I have not been able to find record of when the Nunnallys first came to this country. John Nunnally who married Susan Virginia Burton January 16, 1785 in Cumberland Co., Va. did settle in Clarke County, Ga. after 1803 and died there. A descent Of John was the founder of the Nunnally Candy Company. My great great grandfather, Moses Nunnally, is John's brother. Moses was in Alabama as early as 1816 and died in Shelby County, Alabama in 1841. I doubt that brother John was ever in Alabama. However, Moses was in Oglethorpe County, Ga. in 1810. William George Washington Nunley(Nunnally) is my great grandfather and Moses' son.

Then he says "A few years after the first two boys came here, five other brothers came to N. C. However, I only know two of their names."

"William G. W. and John came to Alabama 1835 with the Griffins and his widowed mother." Comment: Incorrect.

"John first started to homestead 40 acres in or near where Willsonville is now located in Shelby County. He soon sold his rights and moved down in Selma County." Comment: If any part of this is true, I am inclined to think he was John, Wm. G.W.'s brother.

No such co. in Alabama.

"William G. W. married Zelpha Griffin and settled near Helena." Comment: True

"The boy that came with William's father settled in Georgia". True - see first comments page 4.

"One of the 5 boys that came here settled in Tennessee. They spelled their name Nunnley. The Nunnley's Feed Company was owned by his descendents." Comment: I don't know - do you?

"One of the five went to Texas. He spelled his name Nunley." Comment: You are aware of these different spellings. Marriage record of Wm. G. W. was "Nunley" - later records as Nunnally throughout entire family. I received those Texas Land Claims, this week and it rather threw me. But who went to Texas - Archelaus of Caswell Co., N. C.? See pg. 4.

"The other boy settled in Kentucky, but I do not know what part." COMMENT: Neither do I.

If any of this is new to you, I hope it will be of some help. Must run. Al is home and this typewriter, not being very acustomed to it, plus something is wrong with the ribbon - over and out.

Dear Mary,

Needless to say, I was overjoyed to receive your letter of Feb. 28th.! The Bible record of the Nunnally family that you sent is MY family...I'm certain!...as my Benjamin Franklin Nunnally was born 25 November 1815 in Chesterfield County, Virginia! I had found a marriage record of Leonard Michael Nunnally and Frances Beasley 21 March 1799 at Goodspeed in Boston, Mass. last summer when we were there. I was almost positive that this was my Benjamin's parents...but had no proof! As Benjamin had named his first son, Leonard...and the fact that he named his children...a Lawson.....a Patrick....and a daughter, Martha (which I found after I wrote to you)..I feel that this is really the "clincher". Thank you so much!

Now...I am interested in how the "Wathall" family fits in!

Yes....I have the item from Goodspeed on Leonard Nunnally...Benjamin's first born. Leonard married Arebella Ellen Kirkham, a sister of my grandfather, James Wesley Kirkham....and James Wesley Kirkham married Elizabeth D. Nunnally, a sister of Leonard.....the two men were also business associates. I am enclosing a "family" group of Benjamin F. Nunnally...for your records if you would like it.

Ironically, I had wondered about the Joseph A. Nunley on a Carroll Co. tax list...the year 1838 tax list shows Joseph A. Nunley (Distil. $900), two slaves over ten years of age, paid a state tax of $1.24. Then, the 1840 Ark. Census, Carroll Co., Osage Twnshp., gives, Nunnelley, J.A....so these listings are evidently your Joseph Alexander Nunneley! I can't help but believe that these families are related.....the variations in the spelling due to illiteracy and/or spelling phonetically.

I would appreciate it if you would send my name to your contact in San Antonio...or...give me her address so that I could write...either way.

(in Goodspeed)
Incidently....the 1879/date for B.F. Nunnally's death is incorrect. His death date of 27 November 1880 in Carrollton, Carroll Co. Ark...and he is buried there in the Carrollton Cemetery...this is on his tombstone.

My husband plans to retire on his 60th. birthday, June 18th...after 36 years as Head Basketball Coach and Teacher in public schools...he has been at Springfield Central High School for 30 of those years. He shares my interest in "Ancestro-searching"...which really helps! We have a book on our Ball line...material collected by a cousin (started in 1939) and we just finished putting together a booklet on my husband's mother's family...Maddox-Mattox. I have also begun a research on Key (many of this line migrated from Arkansas (from Madison Co. Alabama) into Oklahoma; Jones;....these are my mother's people.

To get back to the fact that my husband is retiring....we will really get into researching now...will spend considerable time in Virginia next fall and hope to establish an authentic line on my Nunnally family. We travel to New England each summer....so if I can be of any help to you...let me know!

Again, thank you for your help!

Sincerely,

Rowena

July 26, 1981

Dear Mary,

I know you said to dispense with the SASE...but since I seem to be getting more information than I'm sending, I feel obligated to send one!

As I told you in my "thank you"...I was delighted to receive the "family" of Leonard Nunnally and Frances Beasley...really a boost to my findings. I've been going over your letter of February 28th. and do not recall if I answered your questions in my last letter.

Jim retired at the end of this school year after almost 36 years as a head basketball coach and teacher...30 of those years at Springfield Central High School....now we are planning on an extended trip to do our "ancestro-searching"...in Virginia...Georgia...Alabama and on up to Maryland with a return to the National Archives in D. C. Can I do anything for you in those areas?

I recently heard from a Mrs. Young in the state of Washington that is researching my Beller line...she sent me some info. that I did not have...... which led to a quick trip last Friday to Boone Co. and Newton. Well...we "gathered" more ticks and chiggers than anything else....and the temp. was in the upper 90's, plus 78% humidity! Jim said, please wait until cooler weather for Cemetery hopping!! But we had picked up some State Hgy. Dept. maps of those counties, and they show all cemeteries.....some we didn't even know existed......so we did find some Beller graves...plus, a few Gillmore and two Key that I didn't have.

I didn't know that Beller Stand...then, Crooked Creek...became Harrison, Arkansas....and that the ill-fated group that started at Beller Stand for California and ended in the Mountain Meadow Massacre included some of my "kin".

You didn't tell me any other names that you are researching in Ark... please do so, as we get down there fairly often...and perhaps I could be of some help to you. We still have several cemeteries to visit...southwest of Harrison..which were in Carroll Co. until Boone Co. was formed.

Genealogy and family history researching has been very rewarding...I've found many new friends....and many cousins that I didn't even know existed!

I would like, very much, to have the name and address of the lady you mentioned that resides in San Antonio..a fellow Nunnally/Nunneley researcher. Also, as of now, I do not know of the Wathall family connection ...but I would appreciate knowing the source of the family and how it does tie in.

On this little jaunt last Friday...we were all through the valley that you can see from Hgy. 7, south of Jasper, Ark.....such a beautiful, but remote spot. Jim had commented a number of times as we traveled Hgy. 7 to Hot Springs, that "one day" he was going to get down into that valley....it really is a "god forsaken" area, to be sure. We found what was the little town of Red Rock...and went to that cemetery, after we got about a dozen cows off the road and forded a creek!

Please do keep in touch...and I am really sincere when I ask if I can be of service to you, either in Arkansas or on our trip this fall. We are purchasing a travel trailer...and feel this way, we won't have to hurry from one place to the other because of limited travel monies!

Again thank you for the family info!

Rowena

Dear Jean,

Received your letter of 10 August and have been thinking and thinking about your comments concerning various Nunnally names you mentioned. Will we ever sort out all of these people? I do hope we can and that you will write "the Nunnally and variants" book!

I must first tell you, if I have not done so, that Lynn Collis and I started out researching only Amelia and Chesterfield counties for the Nunnallys. This search was for our own families, but finally expanded to include several and made us back up to Henrico and go forward to Nottoway and other counties. I really feel that the order books, wills, deeds and etc., of all counties should be searched. This has not been done in depth, as far as I know. I feel sure that much information is missing that is available.

Footnote #40 same page: Francis Burton Harrison, Burton Chronicles (n.p. 1933), pp 181-86 believes Priscilla married Robert Burton, whose wife was named Priscilla. (Is Joseph Shortal correct or is Francis Burton Harrison correct?)

I believe you have the Nunnally time-line of Chesterfield, but the following:
   1770 - WALTER NUNNALLY, JR appointed constable in June
   1775 - Martha granted adm est of Walter - 2 June
   1778 - Martha Nunnally m Charles Hamlin, 26 Aug
   1778 - Leonard, Branch and Jemima, orphans of Walter vs Charles Hamlin 6 Nov
It seems that Walter 3 Nunnally who died in 1784 would have been much too old to have been appointed constable in 1770. Also, no records found in Chesterfield Co. VA ever called him, Walter, Jr. I had missed this JR until I started going over the Chesterfield material this time. I really think that Walter, Jr. who was appointed constable in 1770 and died in 1773 is certainly the son of Walter 3 (Richard 2).

I was a little familiar with the Leonard Michael Nunnally family, but had not assigned him to Walter and Martha before this time, because he was not my husband's family. Benjamin Franklin, son of Leonard, did go to Arkansas and lived in the same county (Carroll) where much of my husband's family lived after moving from TN. I had corresponded with a lady who thought BF might be a part of our family. I was able to help her, but did not follow-up for further info on this family. I have not corresponded with her since 1981, but noted that she authored the article concerning the Nunnally family in the Carroll Co. History. She may, in the past 12 years, have found more information. Enclosing a copy of her last letter.

As far as the Branch Nunnally of Smith Co. TN, I have only included him as a child of Walter 3, because I think it possible until disproven. He ~~was born in VA and at the right time to have been a child of Walter and~~ was born in VA and of the right time period to have been a child of Walter and Martha.

I haven't the heart to tackle the Daniel bunch, as yet! Enclosing a few items which helped me come to the conclusions about the Walter, d 1773 and the Walter d 1784.

Do let me know your thoughts.

Sincerely,

Mary

Zachry Burnley's "First Census of Virginia" gives William Womack Nunnelee of Chesterfield Co., Va. with seven in the family, in 1782. This would be in accord with the will he left in Elbert Co., Ga. There is no evidence that he ever had a second wife. His son married a Hubbard, and there were other later Hubbard-Nunnelee marriages.
